CAUTION

Every decision a person makes, including the decision to get out of bed in the morning, has some degree of risk associated with it. We strongly believe that each competent adult must set for themselves the level of risk he or she is willing to accept. Some avoid crossing streets in heavy traffic—others stunt-ride motorcycles without a helmet. However, to intelligently confront and accept risk, a person *must* understand the dangers. While *Drummer* hopes to educate its readers on a wide variety of topics, its main purpose is to entertain! Works of fiction presented in this magazine are just that—fiction! They are not in any way intended to suggest or describe activities that anyone should—or often could—actually do. They are meant for entertainment only. In other than fictional pieces, we will emphasize safe sex with respect to contagious diseases, and safe and sane behavior with respect to all activities, and will try to point out all activities which deviate from recognized safe-sex and safe-and-sane play activities. However, Desmodus, Inc., its officers and stockholders, the editors and staff of *Drummer*, columnists, authors, artists and other contributors to this publication and other organs of Desmodus, Inc., cannot be held responsible for accidents, injuries or other or improper application of information imparted or ideas generated by materials in *Drummer*, or from Desmodus, Inc. products.

TELEFAGGOT BULLETIN!

by Anthony F. DeBlase

According to an old joke, the three fastest methods of communication are telephone, telegraph, and tell a faggot. Obviously the joke is old, there is no mention of faxes or modems, but back in the dark ages of SM publishing when Desmodus Publications, Inc. had only 3½ staff members working in Chicago, I often accused one of my staff of being the Chicago branch office of Telefaggot. No matter what the dish was, he got it first, and did his best to broadcast it far and wide.

On the first Monday after the first Tuesday of the month several years ago the members of Chicago Hellfire Club were engaging in their monthly verbal abuse fetish night, otherwise known as the monthly business meeting. We had a long debate on a matter concerning Associate Members and finally took a vote, then moved on to other business. About 15 minutes later the clubhouse phone rang. Someone shouted out that it was probably New York calling to register a protest over the vote we had just taken. Everyone laughed. But they were right! It was a New York Associate Member calling to say he had heard about the decision, and was opposed to it. *News in our community travels FAST!*

Unfortunately, it does not also travel accurately! Since I arrived in San Francisco in July of 1986 to assume control of *Drummer*, etc. I have repeatedly heard from various parts of the country about my death, my bankruptcy, the termination of my 16 year relationship with my lover, the sale of Desmodus, the death of Desmodus, and every possible variation on these themes. None were true. But, as anyone who has access to a dependable branch of Telefaggot knows, Desmodus, Inc., could certainly benefit from an influx of new capital; I have been longing to get out from under the day to day responsibility for making the corporation function; and I would regret losing the cre-

ative involvement I have with our magazines—publications I love. Thus it is with great pleasure that I broadcast the following press release over every Telefaggot news link, and hope that it winds up on fax machines and modems as well:

DESMODUS IS GOING MULTINATIONAL!

Anthony F. DeBlase, President of Desmodus, Inc. and Publisher of *Drummer*, *DungeonMaster*, *Mach*, and *The Sandmutopia Guardian*, has announced that a controlling interest in Desmodus, Inc. has been sold to Daico Corporation, a group of gay businessmen based in Europe. Among Daico's other holdings are the world renowned Rob Amsterdam gallery of male erotic art and the Rob leather shops in both Amsterdam and London.

DeBlase, in addition to his management of Desmodus, is a highly respected writer and educator in SM safety and techniques and a well known author of male SM fiction, writing under the pen name Fledermaus. After almost 13 years in the publishing business, nearly six of these at the helm of *Drummer*, DeBlase is delighted to be relieved of the responsibility of day to day business operations and supervision. He will be remaining as Editor Emeritus of all Desmodus, Inc. publications for at least the next several years, and will continue advising on and contributing to the editorial content of these magazines. He looks forward to being even more active as an educator, lecturer, and writer on Leather/SM/Fetish topics both through his continued activities for Desmodus and as Director of the National Leather Association's Resource Center.

Martijn Bakker, Chairman of Daico, said that he welcomes the opportunity to become involved with publications as widely respected and admired in the Leather/SM/Fetish community as *Drummer* and its related titles, and looks forward to making these, still ba-

sically North American publications, more international in scope as the world continues to grow smaller. Daico, Bakker pointed out, is a Gay Business, with equal emphasis on both of the words. Daico greatly appreciates the role of the print media in defending our gay rights, and the importance of publications such as *Drummer*, *DungeonMaster*, and *The Sandmutopia Guardian* in defending the rights of Leather/SM/Fetish men and women of all orientations.

Both Bakker and DeBlase are confident that the change in administration will insure that *Drummer* and the other Desmodus, Inc. titles will be published on a regular and timely basis (something Desmodus has been having trouble with since the disaster of the Loma Prieta earthquake). Daico's involvement with both Desmodus, Inc. and Rob Amsterdam should facilitate greater access to Rob's goods in America and the unique offerings of Sandmutopia Supply Company in Europe. Current plans include opening a Desmodus office in Europe in the near future to facilitate European input to the magazines, and the opening of a Rob store, and more importantly, a gallery of male erotic art in San Francisco later this year.

Though everything said so far has mentioned North America and Europe, Daico wants to be clear about its intention to include Leather/SM/Fetish men and women in Australia, New Zealand, Japan, and anywhere else in the world where there are organizations and interest. As an example of this, the series of regional contests leading up to the international Mr. Drummer Finals and contest (scheduled for San Francisco in September) are currently being held all across North America and in Australia and New Zealand. Again this year, there are no regional contests scheduled for Europe, but this situation should change in the near future.

DeBlase, Bakker, Desmodus, Daico, and all others involved look forward to continuing to preserve, promote, and protect our world of Safe, Sane, Consensual erotic involvement in all aspects of "leather" eroticism from those who only like to dress in leather to those who never wear a stitch of it, but engage in activities that, for want of a better word, we call the leather lifestyles.

RESPONDING TO Off The Top

The following letter was the first-received written response to Susie Shepherd's Off The Top column in *Drummer* 155. We have had many phone calls both in support of and in disagreement with various points Ms Shepherd made. We are pleased to have helped raise the questions addressed in that column and the responses to it, and will publish one further response (already in our office at this time) in the Male Call space next issue. Beyond that, it is our opinion that these are questions of individual conscience and inter-personal difference which need not be discussed further in print.—MB and JWB

We strenuously disagree with Susie Shepherd's "Off the Top" column, "Fundraising or Fundraising?" in Issue 155 of *Drummer* magazine.

The leather community obviously has a stake in fighting the Oregon Citizens Alliance, Jesse Helms, and other scions of the New Right. But Shepherd's column links these very important political efforts with a personal attack on Judy Tallwing McCarthy (the first International Ms Leather) and the Outer Limits, the Seattle lesbian S/M support group that is organizing Power Surge, the first national conference for leather women who love other women. Such divisive and misguided tactics will do more damage to our community than any right-wing congressman or Bible-thumping, homophobic minister.

Although Shepherd does not name Judy Tallwing McCarthy in her article, everybody who was at this year's International Ms Leather contest knows about the fundraising efforts launched by Audrey Joseph on her behalf, although to date only \$7,483.60 has been raised out of \$30,980 needed to cover her remaining medical expenses, not the \$8,000 and \$12,000 cited by Shepherd. The contributors knew what they were, giving their money for and gave out of love. No one was "swindled."

During the year that she represented the women's leather community, McCarthy set the standard for all subsequent title-holders. She somehow found the time to care for her lover, Sashie Hyatt, who was dying of cancer, and still travel thousands of miles to dozens of cities, taking a message of leather pride, visibility, and unity across the country.

We have all raised money to care for our brothers who are dying of AIDS. Many of them have no health insurance. Should we, as Shepherd suggests, abandon them because they have "defaulted" on their "responsibility for their personal business" since "all of us ... in the final analysis" should take care of ourselves? The problem is that we have no national health-care system in this country. No individual is responsible for this terrible situation. While we work for a national solution, we cannot ignore the suffering of our own.

Shepherd dismisses Power Surge as "a bunch of women" who are going to "have a play party in Seattle this summer." Can you imagine the

cries of outrage if Shepherd attacked the National Leather Association's annual conference, Living in Leather, as "just a play party"? What about International Mr. Leather? The local and national Mr. Drummer contests? Or the Pantheon of Leather awards?

If we are going to have a community that is large enough and well-informed enough to mount fundraising efforts to protect our rights, we have to spend time networking with each other and making it possible for new people to find the leather family. Without this kind of organizing and celebration, we won't have any energy to combat our enemies.

Anybody who has been involved in putting on a conference knows the overhead is high. You need to pay for long distance telephone calls, publicity, mailings, meeting space, computer time, postage, typesetting, printing, etc. The NLA and Chicago Hellfire Clubs are well-established groups that have accumulated resources and capital for several years. And their male members make, on average, more money than the average leather woman. Contrary to Shepherd's article, the National Leather Association and local chapters are constantly fund-raising to keep themselves afloat. The Colorado Outdoor Leather Dykes event, which she lauds for not doing any fundraising, won't be happening this year, partly because the organizers lost so much money out of their own pockets.

Despite the fact that she is a woman, Shepherd's piece is full of anti-lesbian bias, which is made clear in her snide comment, "Opportunistic women should not alienate the many men who have let women into their lives for the first time by the good graces of this magazine and *Drummer*-sponsored events." We would like to think that leather men are secure enough not to be "alienated" by the prospect of a leatherwomen's event. One of the first S/M organizations to push the idea that leatherpeople should organize politically was a *lesbian* organization, Samois. Most of the early work about S/M politics and history was written by dykes. We are equal partners in the leather community, not a ladies' auxiliary. It is time for leather men to educate themselves about our issues, our culture, and our needs if that partnership is going to flourish.

Leather women have organized and attended many, many AIDS fundraisers which primarily benefit gay men. We have personally taken care of stricken leathermen, gone to their funerals, and comforted the loved ones they left behind. How dare Shepherd accuse us of being politically short-sighted or selfish because we want to help a handful of women in our community who are in crisis?

The Power Surge conference is as important to leather women as Chicago Hellfire Club's Inferno is to the men's community or Living in Leather is to us all. While leather men and leather women have much in common, we also need the freedom to organize events where women can bond with other women and men can be with other men. Such events *do* "benefit us all." The women who are doing this difficult and necessary work should be congratulated, not attacked.

MALE CALL

REMEMBERING ETIENNE

Thank you for your sensitive and appreciative tribute to Dom Orejudos in *Drummer* 153. You did him justice, as I was sure *Drummer* would. I met Dom only once—and, for me, in a very special way!—many years ago, yet I have never forgotten him. In the early 1960's, "Harry Smith," as Samuel Steward chooses to call a friend of mine in *Bad Boys and Tough Tattoos* (pages 63-64), one of the kindest and most considerate men I've ever known, invited me to one of his famous—in the secret world that was leather before Stonewall—tattoo parties at his house in Greenwich Village. The occasion: a visit to New York by Cliff and Bob Raven and their artist friend, Dom Orejudos, from Chicago. I had jerked off for years thinking of having a black panther tattooed on my right arm. But it had to be a *good* job, done by *good* artists. My chance had come.

When I arrived on that cold afternoon, there were already fifteen or twenty leathermen talking and drinking in front of the fire, but Cliff and Bob were still setting up their equipment on the dining room table. Harry, knowing what a shy neophyte I was, put his arm around my shoulder, introduced me to them, and said, "This is Bill's first tattoo. I'd appreciate it if you'd take him first." So Cliff and Bob, real princes, gave me my panther, explaining everything from applying the stencil, to the difference between outlining and shading needles, to the inks, to the technique they used for each step as they worked.

When the job was bandaged, I walked over to Dom, sitting quietly in an armchair next to the great 1920's Village-Bohemian fireplace. I had no idea that he had anything to do with *Mars*, my favorite in the days of the little magazines, nor, of course, that he would become the famous Etienne. To me, he was simply a really nice, talented guy. He was busy cutting the stencil of a design he'd just finished. It was beautiful! It was hot! It was butch! A green serpent winding around the curved blade of a scimitar. We talked, he in his quiet, friendly way. I told him how much I liked his design. I asked if he'd let me be the first person to have it. His response was, as you say, "surprised and pleased." The voice re-

mained quiet and natural, but something in his face and eyes told me he felt flattered and maybe slightly honored. When he finished, he saw to it that Cliff and Bob knew it was for me first, and onto my left arm it went.

Who knows how many arms carry Dom's snake and scimitar now? But I wear the first striking of the mint edition, and it has been a source of pride and pleasure for nearly thirty years. I miss the thought of Dom's physical presence among us. I am glad that I have part of his work as part of me.

Bill I./Washington, DC

ANONYMOUS GRIPE

You have succeeded again in finding another rip-off advertiser to advertise in *Drummer*, or is this another one of your companies. *Taste of Latex* on page 78 of *Drummer* 151, took our money over 6 weeks ago, so far no book. You have a long list of rip-off advertisers but you let them continue to advertise to *Drummer* and then act dumb, like you don't know why sales are falling off. You have screwed *Drummer* buyers with rip off advertisers to the point where they have stopped buying *Drummer*. Good Bye *Drummer* Magazine!

Anonymous/Albany, NY

Taste of Latex is not a publication of Desmond, Inc. *Taste of Latex* is not a 'rip-off advertiser.' The publisher of T.O.L. makes no claim in her ad about the frequency of publication or how long a new subscriber may expect to wait for the first magazine to arrive. Standard practice in periodical publishing dictates that new subscribers start with the next *new* issue after the order is received since the customer may already have purchased an issue previously released. An issue of T.O.L. was mailed after *Drummer* 151 was published, so we expect that this customer got that magazine. But, since the tirade is unsigned, we are unable to implement Desmond's standard practice of following up on customer complaints about advertisers. Apparently this Albany, NY, reader doesn't want help—just a forum for griping. Forum provided!—JWB

WRESTLE!

I hear you guys are planning another hot wrestling issue. Great! Maybe somewhere in that issue you can provide some information for guys into wrestling and similar full-contact fight scenes, most wrestlers know what precautions to take to prevent serious physical injury, but what is the risk of HIV, hepatitis or herpes infection from a rough, sweaty workout? What precautions, if any, need to be taken when the health status of participants with respect to these conditions is unknown? Thanks.

A Reader/San Francisco

A wrestling theme is indeed being planned, but the exact issue number is still uncertain. When that *Drummer* is published, we will deal with your concerns in detail. Meantime, keep the action clean in the sense of not transferring blood or shit from partner to partner, and ask your mat-buddies about herpes, they should know how to protect you and be willing to do what is required.—JWB

POLICY IN PROGRESS

I've just read *Drummer* #152 and noticed your commentary about the recent editorial decision to reconsider obituary notices and profiles. I have chosen to write to thank and commend you for that decision. You see, I'm 23 and feel a special pain and sadness as the generations of men that created the public opportunities for me to understand my sexual self seem to be disappearing from this life just as I enter it. The work *Drummer* does in sharing the emotion, particular considerations and transcendent power of leathersex is so tied to the men who are too often leaving our world. I thank *Drummer* for profiling, chronicling and remembering the men of leathersex whom I may never encounter personally. These men have nurtured and, I'm sure, will continue to nurture me and the men of my generation—men who are just discovering what it is about intense sex that changes, saves, and shapes gay life and consciousness.

Dean/New York City

The decision to run obituary notices continues to trouble me, but the letter above is representative of several I received, all encouraging the practice with largely identical reasoning. So, while we are wrestling with the scope, style, format, content, etc. of our coverage, I can promise something will be done soon.—JWB

Luchaxist

A STORY OF TRUST AND BECOMING WRITTEN AND ILLUSTRATED BY WILL PRESTON

I lie on my couch stroking my meat. It's a hot summer evening, 8:30 and the sky is still light. The Santa Ana winds won't let the evening cool off, and the sun won't set. The red leather sofa is sticking to my back. This kind of heat always makes my dick hard. If I can't play with my bottom's butt, I'll play with my meat, but I can't keep his butt out of my mind. I drift into a memory about my bottom, his butthole, my asshole man. I just fucked him yesterday. I can still smell his asshole on my fingers. I can't believe I'm this horny after yesterday's workout.

I can see his puckered hole before my eyes. I am drawn to it. I kiss it. It seems to kiss me back, and steals my breath. I'm licking it, probing it with my tongue. I savor its manly tang, and the whiff of this man's crotch permeates my senses. My guts go limp, and I can hardly breathe while my body seems to stiffen like my dick. My whole being becomes focused, I must have his hole. I am overcome with the essence of this man. I draw my head back so I can gaze on this wonder. Fingering this

wet, slippery crinkle, it begins to relax. One finger is not enough, two is redundant, three is easy, four is beginning to feel like home. It's moist and warm inside, beckoning me, pulling me in. My thumb slips in unnoticed. I grab some grease with my other hand and lubricate my knuckles and wrist.

"Take a hit. Relaaaaax. Open up for me. I need to get inside you. That's it. Yeah. Goo-o-o-d."

He moans at the knuckles. I push to the wrist and force a glob of cum out of his dick onto his belly. All at once, everything relaxes. He's lost, and I've only just begun. The sight of my hand in his hole makes my eyes cum.

"I will ream out every wrinkle in your butthole. I will send you home with an ache in your belly and your hole turned inside out. Others have built fires, but I know how to inflame your asshole. I'll shoot hot bolts into you. I'll make your sphincters incandescent. I'll set the shores a little wider. I'll iron out your wrinkles. After me, you can take on stallions, bulls, rams, St. Bernards. You can stuff

toads, bats, lizards up your rectum. You can shit arpeggios if you like, or string a zither across your navel, and I will strum it while inside you. I'm fucking you so that you'll stay fucked. I'll rip the hair from your ass and glue it to my chest with your cum."

I pull my hand out, then right back in before your ass has time to close up again. Working it, relaxing it. I grease up my forearm and begin to slide in. The second sphincter opens up, and I slide home. Rotating my arm with an open hand, my bottom's conduit of warm flesh loosens its grip on me. Now I can begin to play. It's time to fuck. I love to do this, but I can never seem to remember how good this really feels until I'm up to my elbow in asshole. Pumping, sliding through this man-space tunnel, hearing the slurping sound of greasy flesh against greasy flesh only makes me want more. God this is good. I am always a little dazed that this really happening, that it's even possible.

This is not an asshole; it's a valise. Immense, stupendous, grand. What a whore this bottom is. On every hill he has played the slut.

Sometimes in toilets with his pants around his ankles, he has fingered himself. Once, when there was nothing else around, he fucked himself with a telephone receiver. He has used candles, Roman candles, and bed posts. Not a prick in the land big enough for him . . . not one. He wants dildoes, self-exploding rockets. He would cut off your prick and keep it inside himself forever if you gave him permission. One ass out of a million. A laboratory hole, no litmus paper that could take his color. A man less than me could only curl up inside him and die. Then if this bottom took a breath, he'd fall out, like a dead clam. When the flag waved, it was red all the way back to his throat. You entered on Griffith Park and came out on Santa Monica Boulevard. I look out on this vista through a wet foggy fart on dirty window panes. One butt in a million. All bottom and a class ass in which you can read the history of the ages.

I have always been satisfied to dick a bottom crazy until I met this bottom with his "fist me or get out" attitude. I hadn't found the need within myself for plunging to these depths until I discovered this swelling crater that now devours my limbs and consumes my soul. I've reached bottom and something goes off like a depth charge that reverberates up my arm, makes my dick stiffen, signals the start of a long night.

Now that he is loose and open, I can launch my fucking assault. My arms become heavy, blunt weapons that wedge their way through flesh and bone. As I bulldoze this cavity, a thick tide of semen slime leaks onto his belly. In a spasm, he squeezes his guts to stop the gnawing. I unlock his grip by pumping him back open. His guts succumb as I piston-fuck this hungry man hole, feeling I'll go mad with the beauty of it. I don't even notice my legs going numb beneath me. To fill these depths is my focus, to pleasure this man is my mission, to find the end of this expanding universe is my goal.

The music batters my brain: Almond, Bolton, Billy, Jones. My hand feels light and heavy at the same

time, like a piece of lead with wings on it. His moans and howls could send the neighbors running, but he has hold of me and I don't care who comes or what happens. Some days there is no going, standing up, sitting on it, no matter how we try it, it won't work. We're too hot, too eager, trying to hold on to that hole like a life preserver, but not today. Today, everything works. I go deeper; he takes it. I go harder; he relaxes. I give him both hands, he opens to them. I go faster, he needs it. The music changes, our rhythm mutates, but never stops. I cum all over, and he's mad as hell. "What did you cum for?" Me, "I came, but I'm not stopping." He melts back as I insure him of my intentions by pushing my fist up against his belly, creating an alien mound that roams his abdomen like a mole.

We're surrounded by mirrors. I fuck him and watch. Matching eyes watch us back as we stare in an orgy of fucking men just like us. Arms and legs and butts and leather and changes just like us. He shifts his butt around to a mirror so he has a better view of his own gaping hole. He loves to see when I pull my arm out and his hole hangs open waiting for my closed fist to fill it again. I submerge, wild, consumed by hysterical perversion. He is beautiful, and I love him. Now I am happy and willing to die. Pumping him to ecstasy, there should be smoke coming up from between his legs. He is mine now. I rub my hands over the warm velvet inside him. I have him and am aching for him at the same time. He cums once, twice, three times. I'm afraid he'll go mad.

How good it is to feel him tight around my elbow again. How long will it last? If someone would feed me, I could stay here forever. Sap is oozing from between his ass cheeks. There is a warm odor that I have grown to love. I feel his heart beat in my hand. I feel his breath as we breathe together in cadence. Everything is glistening, my arms, his butt, our eyes. We have become a slippery, slimy, greasy performance of debauchery. His former puckering pink hole has surrendered and be-

come a limp, gaping bellows of flesh just asking for more. I start again, slowly increasing the depth as this abyss opens to me. My energy is boosted, my pulse elevates. I punch him blow after blow. He torments me with his ability to take this battering. It becomes so incredible and so ridiculous at the same time that I am obliged to laugh. My smile gets a hard-on as his whole body begins to rock, absorbing the impact of each closed-fisted jab from my knuckles to my elbow. I love the sight of it. I love the idea of it. This low five causes my heart to quake. Fist fucker, fist fucker, fist fucker. I am it. Fist fucker. We're doing it. Fist fucker. He's taking it. Fist fucker. He is it. Fist fucker, fist fucker, fist fucker.

I stop for a moment. We both need to catch our collective breath. Leaving my fist in him to the wrist, I bend forward and place my mouth on his. My fist in his ass, my mouth locked on his, somehow seems to complete the circle of electrical current, a charge of energy flowing from one to the other. One moment we are almost collapsing with exhaustion, and now, the harder we kiss the stronger the waves of electricity crash, like a tide sweeping back and forth between us. Feeling the rhythm, I drive my arm deeper into him. It pulls me away from his wet, sucking mouth. I pull back to my wrist, my mouth falls again on his. We become so charged I feel we will burst into flames. We scream into each other and he cums again. On a merry-go-round you don't get anywhere, but we go around and around and always end up ahead. We are sapped and zapped by our own love making. Just when I feel we can't go on, we do, we must. I look into his eyes and see a total pig, my soul mate, my bottom.

The world is dying piecemeal all around us, and I am putting a bomb up the asshole of creation and setting it off. We are taking a quantum leap of sexual evolution. When we come together we become a fucking thing, swimming in the face of time as all else sinks around us. Out of the slimy ooze rises a horned, winged, fucking thing, whose energy will send vibra-

tions out that will be felt for lifetimes to come. We need strong hands and strong spirits. As if returning from out of body, I find myself pummeling asshole. Left, right, left, right, left, right. Looking up to check on my partner, he is adrift in pleasure. Stopping is the only thing that would cause him discomfort.

Now I feel him pushing back. His guts closing down on me, trying to shit me out. I keep fucking. His moaning turns into groans, his groans turn into some kind of animal roar. I can't push back any more. My arm is shit out like a huge turd, and his asshole is replaced by a red rose whose petals open as he cums again. His rose, a treasure which has been acquired at great cost, an object whose value has increased with time and which I now prize above all worldly things. There is my bottom, there is that rose of his. I love them separately and I love them together. All the men he's been with to bring him to this point of expertise, and now me—just me and the current of life that flows through me, and him and all the guys before me, creating this fucking fuck.

I look down and realize I have cum again. My dick hangs from my body like a piece of meat that has been sucked by every man I've ever had drooling, dripping, oozing. My fine red rose is retreating and beckoning me. I finger it before it is completely gone. It sucks me in, and closes down on me like a sea anemone. I stretch it open again with another finger, and another, and another, then a thumb. Am I probing him, or is it eating me, this man-eating beast? A man, that's what it craves. A man that could make him writhe in ecstasy. A man that could make him grab his ass with both hands, look down between his legs with authority over this jurisdiction, and order me to fuck it, fuck it, fuck it, until we were both out of control. A man, that's what it craves. A berserk, demented, deranged, mad man, fucking him senseless. He is a bottom all the way through, down to his heart, his asshole heart.

My concentration is broken, I

have to piss so badly my bladder is about to burst. I am stroking this loosened asshole like it was made for my arm. Just in, just out, not a hitch. But, I have only one thought in my head, "how can I take a piss?" Without moving from the spot, I kick the trash can to where I can let go with a yellow flood. The splashing gets to my bottom. He lets go with a stream of piss that flows across his belly, down between his legs to his asshole where I use it as lubrication. I'm pissing, he's pissing, and I'm pumping his up his own ass, as the overflow pours off him into the trash can below. I can do anything with him. I play in piss like a small boy playing in a sudden warm summer rain storm.

I can control his flow by pushing on his bladder. He thinks he's through and I make him piss again. It makes him laugh, which stops the flow. I make him piss again. What a man-toy he is. He is my playground, and he lets me play in him. Now that I've relieved myself, I can concentrate on his hole. All the way in past my elbow, all the way out. His hole just hangs there, open. I make a fist and shove it to the hilt and out again. In, out, in out. Fucking him gives me utter clarity. I feel who we are and what we do is totally justified. I have lost the illusion of time and space. I want it, he wants it, I give it, he takes it, I take it, he gives it. Yen yang, yang, yen. This miracle renders life tolerable. That life struggle, the daily grind, the confrontations, are all worth going through to get here, to be with him, to be doing this. If at any time we come face to face with the absolute, this is absolutely the best: To close my mind to the ugliness of reality and to bask in this actuality. He makes me glad to be part of this miracle we call gay, glad to be a top, to be his top. I grab a handful of grease and plunge it up to the hilt. If assault is the order of the day, then assault it will be, and with a vengeance. One must burrow into life to find it. Why in the name of God has our sexuality been hidden from us? The word must be made flesh. I am spiritually alive. I am morally free.

I manipulate my fingers into his inner sphincter. It's like another

asshole to conquer. I push in, up to my knuckles, his ass presses against my biceps. I can feel a virgin chamber in there. I hear a quiet but demanding "In . . . in . . ." I press on. I can feel it's open in there, if I can just coax this gate to open enough to let me through. I know he wants it too. He has that eager look in his eyes which comes from wanting it badly. "Come on, you can do it. You can kill me afterwards, but just let me in. I've got to get in." I have such a hard-on it's beginning to ache. I feel saliva drooling down my chin. I'm concentrating so hard I'm forgetting to swallow. Sweat is cascading over us. We can barely breathe. We have become such sweat-soaked, greasy pigs, it's as though this greasy asshole has enveloped us.

There is little distinction between inside and outside, as though I have become part of this ass hole, fucking itself. I am feeling waterlogged. I can hardly breathe. I'll just take a short break, leaving my arm in him, holding perfectly still, pressing my knuckles against his third sphincter. Maybe, if I just leave that pressure on it, it will stretch enough to let me in. I take a deep breath and try to revive myself. As though he can read my mind, my bottom reaches over and picks up a clean towel, and mops my face. That's better. I can't keep my fingers still. It feels so good, this flawless tunnel. I can't help myself. I'll just fuck it a little. Pulling my knuckles out, then pushing them back in to the widest part of my hand, then back out. Just an inch or so, in, out, in, out. His face strains, then relaxes. I know he is trying to relax, trying to take it. We both want it. His buttock is just at the bottom of the cross tattooed on my arm. If we can make it through this sphincter, my tattoo will be swallowed up. He's trying. He wants it so much. In, out, in, out, almost, in, out, nearly, in, in. He's making it. "Do what you do, the amazing you."

"I can't! Out! Please" He gave it a good try. He's disappointed. I pull out. His head falls back from exhaustion. "We'll make it," I tell him, "it doesn't have to be today." I draw my arm back to my wrist, and play with

his hole. Stroking it with both hands, sliding, stretching, probing.

This fist fucking thing has eaten it's way into me. It has possessed my mind. It has dug into my soul. Sometimes my elbows will begin to twitch, or my arm will begin to ache, and I know the pressure and heat of his asshole is the only therapy that will make me well again. He lies there exhausted. His hole won't even

butthole. There is no Christian more devoted to his church than I am to this altar. His out-stretched legs revealing this open passage to the heart of man. It's a fire that penetrates me, a circuit that connects me with the earth and the universe. With candles flickering and music playing, I am humbled by the magnificence of the phenomenon. I come in reverence and respect to worship at this altar. With

help. A little bit more, yes, yes, a-a-a-and . . . we're i-i-i-i-i-n. God that looks beautiful. Both my hands up to the wrists. Now it seems to be sucking me in, a couple more inches and it's home. His whole body seems to go limp with the feeling. Now I can fuck it. Out to the wrists, then back in. Left, right, left, right. God I love this. It looks as good as it feels, and it feels miraculous.

pucker, it just hangs there, open. It has been marched through. It has been assaulted and left with such a devouring hunger that I may never appease it. That same hunger lives in me, and it might take more than this lifetime to satisfy it, but I will die trying. But this, this is not dying, it's exactly the opposite. He touches me, he touches my life. Nothing makes me feel more alive than being in him. He energizes me. He amazes me. I find perfection in him, a joy for living that I find nowhere else in my entire life. His strength and endurance make me feel strong. Sometimes I feel so full of contradictions. My mind is a whirling blur of passion and completely focused with determined desire at the same time. I am never satisfied, I can never get enough of him though he shows me more and more and takes me places I could never imagine. I go about day and night with one thing on my mind, his

incense burning, I once again begin the ritual, the rite of passage. I dip into the receptacle of oil, and anoint him. My hands in prayer begin to pleasure him, to honor him in communion. In praise of this spiritual intercourse of fellowship with my man, my bottom, my asshole. Inch by inch, slowly because he is showing signs of becoming tender, I begin to spread his hole. A little left hand, a little right hand. A little more here, a little more there. I am up to the third knuckle. I slip the fingers of my right hand into the palm of my left hand, and push past my thumbs. He begins to moan. He knows where I'm going, and he concentrates on relaxing. His mouth falls open and his breathing becomes deeper. Holding my arms close together, I press my elbows against my own stomach, and lean the weight of my body against his hole. As he relaxes, I begin to slide in a little bit more. I hold my breath as if it will

Fisting has to be lived, it has to be experienced. It grows inside you, making you something more than you were before. I have been sucked down into this vortex, and when I come to the surface again, the world has changed. The music is crystalline, the light is distinct, my passion unconventional, liberated, clean of the past. I am a sun god casting a shaft of light into the dark and fearsome bowels of the earth to illuminate and clarify. It is a pilgrimage of enlightenment. I can embrace the most fantastic. The most impossible becomes feasible. Here all boundaries fade away and limits stretch away to infinitude.

When did it get dark? When did the sun finally set? How long have I been lying here? My stomach and chest are covered with sticky cum. Thinking about my bottom's butt always does this to me. I've got to call him and make a date to fuck his hole.

SM & TRANSCENDENCE

Text by David Stein Photography from "Differently Pleasured" by Janet Ryan

At the April 24, 1991, Gay Male S/M Activists (GMSMA) program, called "Flesh and Spirit: The S/M Path," panelist Ron Gest spoke about what he called "the transcendent experience" in SM. His remarks struck a responsive chord in me, and apparently with many others in the audience. I have heard the experience called "the SM orgasm," and have used the term myself, but the subject has rarely been written about directly. As Ron said, while this type of experience is not rare, it is also not common. Many people have had it once, and some more than once, but hardly anyone has such experiences with any frequency. And, as he also said, it is hard to talk about. If you haven't had the experience yourself, it verges on the incomprehensible, because it

is so far from anything we're used to.

Still, I'd like to try to convey something of it to those who've missed out, and this may also help those who *have* had the experience to put it into perspective.

First of all, it is essentially a *bottom* experience. A top may share something of it vicariously, through witnessing the bottom's external reactions and possibly, if they are *very* well attuned, absorbing some of the "good vibrations." But what we are talking about is essentially something that the bottom alone goes through, albeit as a result of the top's ministrations.

Second, the experience is not anything cumulative. It is not just a broadening or deepening or extending of the sensations and emotions

produced in a good scene. It is not a matter of taking the bottom past his limits. It is more a matter of his discovering, suddenly and all at once, that there *are* no limits.

Every reference to this kind of experience I have read or heard has described it in terms of a breakthrough, a quantum leap, a global transformation—or, as Ron put it, a transcendence. It is not always a response to pain; prolonged rigid bondage can work as well. Some external signs of the experience that Ron mentioned are a kind of joyous astonishment in which the eyes suddenly open wide (hard to see if you have a hood on him!), a sudden outburst of apparently inappropriate laughter or other vocalization (particularly from a bottom who gener-

ally suffers in silence), and a flexing or tightening up of the whole body, perhaps followed by a profound relaxation that also involves the whole body.

What is most obviously *transcended* in the experience are the physical body and the everyday mind, which are the two main components of one's sense of self. Bottoms have described the experience as one of "floating" free of their bodies, of being "detached" from one's own self and its cares. You "forget who you are"—or you remember but don't care anymore. You "become one with the infinite" or "the universe." You feel that you're suddenly "everywhere and nowhere at once."

While the self is transcended, the situation that provokes or occasions the experience—the torture or bondage of the SM scene—is not, strictly, transcended but in a way intensified. One is so focused on, say, being whipped or being bound that there is no room for anything else. The lived

world that supplies the context for ordinary experience drops away from your awareness, and along with it your sense of being in and of that world. Despite the pain or constraint, there is typically a sense of ease and effortlessness, what some psychologists have called "flow." Some bottoms report having a feeling of perfect peace or tranquility, of being completely freed of cares. There is no more thought of limits, of how much you can take. The "taking it" is all there is.

People describe the feeling in uniformly positive terms. Not only is one beyond feeling pain—or, rather, of feeling pain as something hurtful—but there is typically a kind of overwhelming joy or ecstasy quite different from simple physical pleasure.

During the experience, one seems to be "in a new place" that is dramatically different from where one normally dwells—even during the rest of the SM scene. The place one

reaches in transcendent experience is so different, in fact, that the experience can be life-transforming. After you "come back" to the everyday world, you may "see things altogether differently" from the way you previously perceived them. But it can also be very difficult to hold onto the crystalline insights achieved during the transcendent experience. The pressure of everyday consciousness and concerns can quickly erode ecstatic enlightenment, leaving only a kind of wistful longing, if not a piercing sense of loss.

It is obvious that what we are talking about here is very akin, if not identical, to the state of mystical transport described in all religious traditions as well as in many secular traditions centered on meditative practices. And it is equally obvious that much of the experience is also akin to a really wonderful genital orgasm.

William Burroughs once wrote that all pleasure is the relaxation of a tension. It is clear how genital or-

gasm fits this conception, and many of the ordinary pleasures of SM can also be understood under this rubric. Even if you first have to *increase* a tension in order to have the pleasure of relaxing it, as happens in both ordinary sex and in most SM scenes,

of shame and pride, of expectations, of regrets, of inhibitions, of everything that attaches us to the particularities of our ordinary existence, and thus prevents our connection with the whole of the universe—but how is it the release of a *tension*? Do you have

screws” of ordinary pains and discomforts until the point where your “higher self” says “enough already” and lets you float free? I doubt it. I don’t think that a release of the *conscious* “tension” of ordinary living can account for the extraordinary as-

“letting go” itself is pleasurable.

The transcendent experience, or the *nongenital* “SM orgasm,” is clearly a letting go—of the self, of the world, of the body, of fear and desire,

to be exceptionally uncomfortable with your ordinary self and situation to enjoy the release from it? Is the consensual torture or bondage we practice in SM a way of “twisting the

pects of the transcendent experience. After all, we are released from most of that ordinary tension every time we go to sleep.

There is something deeper going

on, both in the SM orgasm and in mystical rapture. The specific tension that these experiences release is the tension of being bound to the line or wheel of *time*, and when we are released from time, we are released from spatial constraints as well.

future and away from the past. *That* is the master tension that underpins everything else in our lives: the tension of having to exist between the “no longer” and the “not yet,” tied to a vanishingly small slice of time we call “now,” which is past and gone as

(they seem to last forever and for no time at all).

Living our lives means always projecting into the future with out plans, hopes, and expectations *while* holding onto the past with our memories, habits, and histories. Janus-like,

Hot Wax Scene #4: Flesh Becomes Spirit

Through overwhelming pain or rapture, we are released from the balancing act by which we continually ride on the cusp of the ever-changing “now,” inexorably moving into the

soon as it is recognized. And that is the tension that transcendent experience releases. It is no accident that all who have written of such experiences have stressed their “timelessness”

we always transcend the “now” in both directions, toward the past and the future. But as long as we are in time, our grasp of reality is compromised by the *slipperiness* of tempo-

ral being. All falls away, all slides inexorably into the past. We can hold onto nothing. the present vanishes as soon as we reach for it; the manifold of possibilities that is the future narrows with each choice we make; the dead hand of the past weighs us down while forbidding us to change it in any detail.

There are two ways in which our normally tripartite temporal consciousness can be altered: we can lose our grip on the two projective dimensions of time and be trapped in the "now," which lacks meaning and value without its essential connections to the future and the past; this is to be reduced to a *subhuman* state, like an animal or a catatonic. Or we can achieve a perspective from which *all* time is "now," with the past and future alike reduced (or, better, amplified) to positions along a continuous line or in an eternal matrix; this is usually considered to be a *superhuman*, or godlike, condition. To use a spatial metaphor, either our con-

sciousness shrinks to a point, the "now," or it expands to comprehend at once the whole range of time—that is, "eternity."

What is curious is that pain can produce *both* effects. Under torture, the direction of one's consciousness is forced inward, to the sensations racking one's body, and its scope is narrowed down more to the body's limits. You become more and more narrowly focused on the "here and now" as suffering floods your awareness, blocking out everything else. But why is the ultimate effect in some cases a break *through* to altered consciousness, in which pain is transcended, while in others there is a break *down* into subhuman consciousness, in which pain consumes the entire (experienced) universe? It is not simply that in some cases the pain is suffered voluntarily, as in SM and in some mystical disciplines, while in others it is inflicted against the will, as in the torture of political prisoners. There have been SM bot-

toms who, through no fault of their own (or of their tops), have cracked during a scene and become psychic basket cases, and there have been prisoners who have transformed their torture into enlightenment, much to the chagrin of their jailers.

The result does not, I think, necessarily depend on any prior familiarity with meditative techniques or any other recognized mind-strengthening discipline (I certainly had no such preparation prior to the two occasions when I had the experience). Does it depend on the bottom's (or torture victim's innate strength of character or other aspects of his personality? Is it a matter of chance, or the gift of some higher power? Who can say? And who could predict it? It's clear enough that the transcendent experience never seems to happen when one *strives* for it. It happens of itself or not at all.

While it is important for us in the SM community to recognize that our practices can, from time to time, yield

Music of the Night, version 2 #1

Music of the Night, version 2 #2

a more precious fruit than grows in ordinary groves, we must also remember that they can lead to psychological disaster as well. If a transcendent experience cannot be predicted or guaranteed, a disastrous breakdown is probably equally uncertain.

...
**a taste of heaven or
a tumble into hell**
...

We are playing with fire here! It is not just those who play "on the edge" with physically dangerous practices who are at risk; everyone who regularly tests his limits—whatever those limits may be—is opening himself to a transformative experience that could amount to either a taste of heaven or a tumble into hell.

But while a top cannot truly follow a bottom into that "new place" where a transcendent experience takes him, he can certainly guard and guide and see which direction the bottom is tending toward: transcendence or disintegration. Unfortunately, it is as difficult to describe just what to look for from a top perspective as to flesh out the details of what the bottom is feeling (to prosaic-minded critics, the "content" of mystical experience always seems pitifully thin). The best tops have often been credited with mind-reading, and being able to discern from without whether a bottom is heading toward a break *through* or a break *down* surely requires a rare degree of sensitivity. Perhaps being able to guide another toward a transcendent experience requires a kind of transcendence in itself.

For less acute and experienced tops, the best advice I can give is, *don't push it*. Safely testing a bottom's limits is not everyone's game. There is much satisfaction to be had at a less elevated, less risky level of action—and no one ever got a bad reputation by leaving bottoms hungry for more instead of feeling they'd been pushed too far.

About the artist: Janet Ryan is a feminist Lesbian photographer from Kansas City, MO who says "I had the good fortune to be at the West Coast Women's Music Festival in 1985 where one of the featured speakers was an expert on SM. It turned my life around - emotionally, physically and spiritually My romantic encounters became more healthy And, best of all, sex became much more enjoyable." In January 1992 a showing of Ryan's photographs, titled "Differently Pleasured: Leather/SM/Fetish People," was presented at the gallery of the Society of Contemporary Photography. Some of the pictures were draped, giving each viewer an opportunity to consent to seeing them.

A Survey of Safe Sex Brochures By ALAN CHIRAS

How a safe sex brochure conveys information can have a lot to do with how the reader understands and follows through on the recommendations in the brochure. For example, a gay man who is into leather/SM may tune out the entire message of such a brochure if he reads statements that are leather/SM negative.

Most Brochures produced in the United States present information using a system known as categorization. Different types of sexual activities are grouped into a few categories such as safe, possibly safe, risky and unsafe.

**All the brochures in the world
can't make risk-decisions for you.
The responsibility is yours, and
yours alone but you need to work
at getting information on which to
base your choices.**

One problem with this method is that it is difficult to discern safety levels within a category (meaning, are all activities within a group the same level of risk?) Also, many of these brochures dictate what they feel is unsafe without giving recommendations as to how to make these practices safer.

For example, the *Understanding Safer Sex* brochure produced by Krames

Communications has the following statements categorized under unsafe sex: "Inserting bare fingers, hand or fist into anus or vagina." This brochure does not place protected fisting in a safer category. In fact, fisting—without and explanation on how to make it safer—comes in for plenty of criticism in these brochures. In *Safer sex can be sensuous!* by AIDS

**Leathermen
may tune out
the entire message
of any Safe sex
brochure that
includes leather/SM
negative statements.**

Action Committee of Massachusetts under fisting we read: "All three (fisting, rimming and water sports) of these practices are considered very high risk and should be avoided. Fisting is especially dangerous because of the obvious trauma and tearing of the rectal wall." That's all it says—no mention of trimming and filing of fingernails, or the use of a glove. GMHC's fluorescent orange brochure warns: "Fisting, is dangerous! Later for it! If you do it, always use a rubber glove." But while this brochure is not as negative about fisting, under rimming and water sports it says: "Later for them. Don't do it!" The two brochures previously mentioned are a little better. In none of these

three brochures does it give clear directions on safer rimming or water sports.

The better of the non-SM based brochures use a continuum or spectrum to indicate HIV transmission probabilities. One of the best is *Safer Sex* from the American College Health Association. Although there is no mention of fisting or water sports, this brochure has two mentions about safer rimming. One of these

is under a section on dental dams, and the other under Oral-Anal Contact: "The risk of transmitting HIV to either partner through oral-anal contact ("rimming") is uncertain but seems low. However, rimming may easily transmit other organisms. Using a latex square, dental dam, or a condom cut open lengthwise as a barrier may further reduce the likelihood of transmitting HIV or other organisms during rimming." This brochure also uses a continuum to illustrate level of HIV transmission probability. A vertical bar, dark blue at the top, and light blue on the bottom is shown with several types of vanilla sex activity ranked. The highest of the risk is placed on the top, and the lowest is placed on the bottom.

Just as it is best to find medical professionals that are as closely familiar with your sexual practices as possible, you should also refer to a safe SM brochure rather than one geared to the vanilla sex community. One of the best examples of this is *Safe S/M - advice on AIDS prevention* by AIDS Committee Toronto. On all three of the previously mentioned areas: fisting, rimming and watersports; this brochure takes a leathersex-positive approach.

Under fisting, this brochure goes into great detail over the use of gloves and the trimming of fingernails. The section on rimming is very well written. Where this brochure stands out the most is its precautions for watersports (&scat) activities. "Both piss and shit are fine on the outside of the body. Piss in your mouth is a low-risk activity, but to be extra safe you shouldn't let anyone piss in your ass (which is more sensitive). Shit can carry blood, so you shouldn't take it in your mouth. If there are any cuts on the skin, don't piss or shit near the cut." This brochure's main concern is HIV prevention.

The only major problems with this brochure is its cover. There is a drawing of a pair of handcuffs that clearly shows the stop latch used in a cheap, unsafe handcuffs. This type can slip and tighten around the wrist causing possible injury to the hand, fingers, and thumb. Other than this however, this brochure is one of the best in its field.

Alan Chiras is executive director of Leather Force 2000, a project of North East AIDS Outreach: an AIDS service organization dedicated to outreach to under-represented high-risk minorities.

DREAMING OF DANIEL

Euphoria shrouds me in this night.
It has it's own atmosphere
Its scent clings like that of primal
passion to animal hides.
Its temperature rises to meet the dark sun
Whose zenith is the center of this landscape.
This heaven is my dream,
and I wake in my dream.
This dream that engulfs me.
Dream upon dream,
Day inseparable from night.
The line between planes has been erased.
Boundaries are but memories.
Limits have no meaning.
I know nothing of the names of the spirits
But I do know their touch.
That sensation has a sound
And that sound has a color
And that color has a taste,
A taste that I crave like the salt
of my own sweat.
In this dream, dark is given luminance
The light attains chrominance.
All motion and fury are contained in one word.
The same word for all that is at peace.
I feel that word in my thoughts,
Yet I speak not at all
For I am unsure whether this dream
Is a beginning or an end
If indeed such things still exist.
I have always been a pilgrim
In the realm of the senses.
The journey has been both my crusade
and my grail.
I have seen what few dare imagine
And I dare to imagine still more.
Such is the strength of my pilgrim heart.
And such is the reason I awaken
in this dreaming
To continue dreaming when awake.

DRUMMEDIA

by Joseph W. Bean

The Cage is a merciless, artful, and chilling play about events as expressions of the feelings that can not be escaped in prison. It is written in an impressionistic style just one step short of verbal cubism. Every scene echoes with the play's themes, and after the emotional stage is set, every scene reverberates in every other scene, threatening to repeat, then distorting just enough to seem more a stencil-imitation than an accurate retelling. If that description hasn't destroyed your interest in seeing *The Cage*, you should see it.

There is a mood of sadism and victimization in the interactions between the prisoners (all male) and the guards (one male, one female). There is a tenor of intentional, self-relieving torture in the ways the prisoners interact with each other. Like animals, each rubbing off his own ticks by scraping against and infecting the others, these four men abuse each other as though it were completely natural. In fact, they make the stage on which they are performing seem to shrink until their abuses of one another are obviously unavoidable.

The story—apparently irrelevant to the sense of the play—is simple. A new guy, awaiting the appeal of his murder conviction, is put into the cell with three guys who have been together quite some time. One of the three is mad, sees himself as an agent of God, among other things. One of them is a failed prize fighter who becomes a marauding "midnight bandit," and fucks the third guy. This third guy (played by the playwright, Rick Cluchey) describes himself as "a poor, sick, crippled homosexual." Through prayer sessions and impromptu courts held in the cell ("cells stand for life, cages stand for death"), the three settled cons teach the new guy what it is to be in the cage. The guards warned 09156 (Jive, the new guy) to stay away from homosexuals, but put him in a cell with two "lovers" and a psychopath.

The story aside, if you can bear Samuel Beckett, or you've always wondered what a con feels about prison; if you can bear to look at infectious madness, and even to cheer the infection as it attacks a new victim; if you enjoy theatre that is on edge in just about every

possible way, and can stand to see that theatre on video, buy and watch *The Cage*. You'll love it.

Don't buy this tape for the sadism, it isn't the *kind* of sadism most *Drummer* readers are going to want. Beyond a few baton punches and the humiliation of a strip search, *The Cage* doesn't carry the sick-cop theme very far. The sick-con theme gets a bit further. But what *The Cage* is really about is a sick world, a world in which men like these could be created by forces they firmly believe are beyond their control, a world in which the madness and mutual torture of convicts is nothing but a reflection of the madness and mutual torture they'd be living with outside the cage.

Sklaven's Submission, or *Slave's Submission*, follows very closely in the footsteps of the earlier *CloseUp/EuroMen* co-productions, *Slave Workshop Hamburg* and *Slave Workshop LA*. In fact, when we covered the "LA" tape in *Mach 25* we (and the producers) expected this new tape to be released as *Slave Workshop LA Part II* (so we called "LA" part one in print). Oops!

When this tape opens, the action is in progress. Tom (of Hamburg) is toying with—not yet quite torturing—his two slaves. And, although the pace of the action in this tape never gets up to the pitch of the two previous releases, there is some very interesting action, not to mention Tom's brooding sex appeal or the extreme attractions of his slaves. (One has a horse dick, the other has the most inviting buns you'll ever see slapped and kicked.)

Here are a few "snapshots" of the action: Master and slave padlocked together by their Prince Alberts, a slave-dick to slave-dick tug of war with a leather thong, lots of nipple chewing and pit licking with the bottom hooded and blindfolded, some deliciously intense ball stretching, a very handsome bondage involving the two slaves' cocks being wrapped together and their pierced nipples tied together, and a three way JO that sounds like a bell-choir doing jingle bells (all the locks and restraints serving as bells).

Ah, a couple of other snapshots, slightly enlarged. While the slaves are in

the forementioned bondage of dicks and nipples, with their hands bound above their heads and chained upward, perhaps to the ceiling, they get their asses warmed up with a belt. The way they swing around, presenting a new butt for belting, is a delight to see. And, in between the things mentioned above, somewhere along the line, Tom gets the beautiful-buns slave down on knees and elbows in a circle of leather and underwear—this is while he is hooded with the blindfold on—and has him identifying articles of clothing (presumably Tom's clothing) by sniffing and licking. The slave isn't terribly successful at this game, which leads to the obvious whacking and such. Very nice bit, one on which you might want to create some variations for your next slave (or Master)... assuming the game is new to you.

Sometimes I read books and magazines, watch videos, or go to events out of no personal interest whatever, but because I think I *must* get the information about whatever for you. It's no big deal, if I start reading or watching, and find something too boring (or disgusting, or whatever), I just stop. And that is exactly what I expected when I stretched out to read ***The Joy of Uncircumcising: Restore Your Birthright and Maximize Sexual Pleasure***. This had to be not "everything you ever wanted, etc.," but tons more than anyone could ever want to know about stretching up a new flap of skin around the head of one's own cock.

Even now, I can't tell you I found the book interesting, but it kept me reading. Sometimes my interest was frankly morbid, I was reacting with disbelief, and had to keep reading. Sometimes the stuff here got me angry with the system of routine circumcision, with doctors, with parents, with the men whose experiences were being related. Sometimes the very fact that one or another method of foreskin-making was even remotely possible would simply fascinate me.

What can I say after that? There is no reason why this book should have kept me up for hours, when I had set aside only 30 to 45 minutes to scan it. But it did. Now I have to imagine that a man who actually has an interest in foreskin restoration would be thrilled to get this book in his hands. It has a lot of foreskin science (and more than a bit of quote-quote "science," I think). It has a lot of personal letters from men who have powerful feelings about being deprived of their foreskins. It has plain and simple, step-by-step how-to information about uncircumcising. Overall, the biases and prejudices of the authors and contribu-

tors are very clear, but the book ends up providing a tremendous service—or, I imagine it will—for men who are cut and wish they were not. Hell, just finding out this much about the reasons for circumcision, the feelings of circumcised men, and the options will make you feel better, even if you aren't going to do anything with the information.

If you're a foreskin fan, cut or not, you may be thinking that this book would be chock-full of luscious pictures. Put your tongue back in your mouth. It isn't. There are a few, but nothing even remotely hot. That fact, plus a disclaimer on the copyright page, place "The Joy of Un" in the category of serious lay-medical books. And I think that is both what the author intends and how the book *ought* to be seen.

SPANKING VIDEOS!

What's a man's hand for? If you have no doubt about the answer, you'll want as much as you have room to store of the product of Man's Hand. (Hint: spanking. That's the whole answer.)

Let me tell you about a couple of Man's Hand videos of very recent vintage.

First, *C P Justice Revisited*. Whoa! The plot's simple, four guys in Talaveras County Correctional waiting in the hall for "correction." In Room B, out of view, someone "assumes the position" and gets corrected with a wooden paddle. Our four guys go into Room A. There, with the help of a rather inept assistant, the officer in charge spanks each of them in jeans in turn, then (by now getting help with the spanking from his sergeant/assistant) through underwear only, then on bare bottoms. The progression, stretched out by four bottoms waiting for the attention of only one and a half Tops, is a face-cracking smile-maker. But it doesn't stop there. No-o-o-o. Then there's the rerun of the same four bottoms—er, uhm, boys in *need* of correction—one more time, on a spanking bench, using a variety of paddles. One paddle per boy, of course. This is as hot as more or less straight spanking scenes can get, right? Well, maybe, but only maybe. Good as it is, *and it's good!*, it won't be the only MH video you need if the concept of butt whacking gets you hard.

There's *Leather Discipline*, a three-scene tape. Better? Depends. I kind of like the correctional atmosphere of "C P," but this one's pretty amazing, too. Scene one: A boy, on orders from Daddy, calls a punisher, makes an appointment, and gets what punishers give. He's such a pretty boy, he could have gotten just as

brutal a spanking from me without bothering to do anything wrong to justify it. But, Daddy knows best, and the punisher takes over from there, giving a distinctly leatherman punishment to the deserving leather boy. Scene two: A leatherman and boy meet in a bar, take the scene home, and go for some ass-beating action that starts with the boy asking to have his butt warmed to "red hot." Along with some clever bungee box bondage, nifty leather-wear, and super sounds, there is a full-scale smorgasbord of ass heating. Scene three (Still the same tape? Yes!): In this section, a boy goes to look at a bike, is found fondling it, and punished for the same. The pattern is familiar by now . . . spanked through his jeans, through his underwear, on his bare butt, then with a belt. After all that, with a certain amount of mild resistance from the bottom all along, the Top and the intruder-bottom end it all with a warm hug. Taken together, the three scenes are a warm glance at hot leathersex, with the accent on beating ass. Very nice, indeed.

Man's Hand also sells photo sets, art work, anthologies of fiction and non-fiction about spanking, and Red Tails, a newsletter.

SPOTLIGHT ON THE **Mr. Gulf Coast Drummer** CONTEST

Photography courtesy of Shades of Grey Leather Shops.

At left: Mr. Gulf Coast Drummer, Rock Alexander. And, below: Rock flanked by Kris Rabonza and Lee Barber, 1st and 2nd runner up.

On Saturday, June 6, the fourth annual Mr. Gulf Coast Drummer contest was held "under the big top" on the parking lot of The Brick--no, *not* in Cicely, Alaska! The 40' x 80' solid white tent was a great way to give an already super contest an added snap!

The contest was presented by Shades of Grey Leather Shops (Dallas and Austin) as a benefit for the National Leather Association-National, NLA-Dallas, and the James Heitman Memorial Fund of Dallas.

The contest and show held the capacity crowd in a hot, spellbound high throughout the evening. It opened with a lone drummer and the trouping of the Leather Pride and US flags. Then the newest element of the Gulf Coast show was introduced, video. The first video segment was a retrospective of the previous Gulf Coast Contests, giving everyone plenty of chances to cheer for the community's known heros, including previous Mr. Drummers from the region.

The Gulf Coast Drummer Dancers—very popular entertainers in the area—whipped the crowd into a heated frenzy that nearly brought the tent down. The crowd also gave a full-scale, Texas-style welcome to Kevin Steadman who was named Drummerboy of the year at last year's Mr. Drummer international finals.

The show closed with another video montage of leathersmen, titleholders, bikes, and such.

The fantasies of all six contestants were hot, sexy, and well-received. And the crowd seemed pleased by the addition of a motorcycle and two women "as props" in the jockstrap portion of the competition. The contestants were free to use or not use the women and/or the bikes, but the idea definitely broke the runway-model pattern the contest might otherwise have had.

Congratulations are due the new Mr. Gulf Coast Drummer, Rock Alexander. He must have handled himself very well to be chosen from a field of six capable, hot, popular men from Texas, Oklahoma, Louisiana, and Arkansas.

The judges for this year's contest included all three previous holders of the regional title—Larry Rigsby, 1989, Lexington, KY; Larry Arbo, 1990, Dallas, TX; and Mark Frazier, 1991, Dallas, TX—plus Jim Richards of Dallas, past co-chair of the NLA; Ginger Bryant of San Antonio, president of Tejas MC; and Tom Davis, manager of the Round-Up Saloon in Dallas.

Planning your trip to San Francisco for the Mr. Drummer Finals? Plan to spend the week here so you can enjoy Aussie Night, New Zealand Night, the benefit produced by the outgoing Mr. Drummer and Drummerboy, both halves of the Mr. Drummer 1992 Finals, and the Folsom Street Fair, Monday (9/14) through Sunday (9/20) respectively. Details on the whole SF Leather Pride Week will be in the next issue of *Drummer*.

SM & SPIRITUALITY

Notes resources compiled by Joseph W. Bean

In April, as this issue of *Drummer* was being planned, we wanted to include an update on the movement to explore SM and spirituality, but there was very little completely new to report. Then providence struck like lightning. On the very day we were going to issue the assignment—half-heartedly—for a general "survey" of leathersex and spirituality, a newsletter called *The Phallic Quest* arrived.

That was something entirely new. So, in addition to an abbreviated survey of some of the significant goings on in the field, we want to give you a thorough introduction to *The Phallic Quest*, and **The Regiment**, the organization that publishes it.

First, **Black Leather Wings**, the

leather/SM men and women associated with the Radical Faeries: Harry, one of the founders of the group says, it's been great to "watch the SM spiritual tribe mushroom since 1988 in the San Francisco Bay Area, and one of the exciting things now is watching the movement spread to other cities like Portland, Oregon, and Los Angeles."

Black Leather Wings is a constantly recognizable presence at major leather and gay events in San Francisco, and a welcome home away from home—even if it doesn't always mean a place to stay—for leather faeries on the road.

Their mailings get bigger and more interesting all the time, and their gatherings are growing faster than anyone could have expected.

If you want to know more about this group, write: B. L. W., c/o 3644 Anza Street, San Francisco, CA 94121.

In Vancouver, British Columbia, there is a powerhouse of a leather/SM madman who is associated with Black Leather Wings, but does a lot more than participate in the organization. The "he" here is Bill Houghton, better known as **Northwind**. Among Northwind's projects are a newsletter (Black Leather Wings) and a leather faerie directory (constantly in progress).

Apart from reading and contributing to his newsletter, getting yourself listed in his directory, and encouraging him to keep up the good work, we can't really guess what people in Elko, Oslo, or Mos-

cow can do for and with Northwind, but maybe that's enough anyway.

To check in on Northwind, write to him at P. O. Box 2253, Vancouver, BC V6B 3W2, CANADA.

Another solo individual doing work in SM and spirituality is **Shaman Stuart Norman** in North Carolina. He does workshops and classes, but—as with all of us in this sub-sub-community—his main work is on himself and with a small circle of associates. "From the radical faerie and leather/SM lifestyles," Norman reminds us, "is a specifically gay way to recreate ourselves as shamans and gentle warriors. We have the opportunity to re-vision the world, to teach and heal all of human culture. This is a unique spiritual path using the ritual of SM to provide experiential rites of passage into the shamanic realm."

If you think Stuart sounds a little too far out for you, you might want to reconsider. He's not drifting off into the ethers. He's a co-founder of Tarheels Leather Club and sits on the National Advisory Council of the National Leather Association. . . feet, as you see, planted firmly in the needs of ordinary leatherfolk, regardless of where he sends his heart and spirit.

You may write to Stuart Norman in care of Joseph W. Bean, Desmodus, Inc., P. O. Box 410390, San Francisco, CA 94141-0390.

Not for a second are we pretending that these few are all the SM and spirituality options open to us today. They are, however, the significant options we know of that are willing to be mentioned in print. If you know of or participate in other groups that *Drummer* readers ought to read about, let me hear from you soon.

And now, **The Regiment** and *The Phallic Quest*: What follows is more or less an annotated recap of *The Phallic Quest*, volume 1, number 1—the newsletter of **The Regiment**—edited and reprinted with the permission of the authors.

The purpose of **The Regiment** is to draw together those Leather and Levi

Men who are serious about exploring and expressing all that is most harmoniously powerful in the god-animal we call Man. For young men, it can be a path to initiation into manhood and a source of support as they grow. For the more mature, it can be a chance to smooth out old problems and catch up on lost opportunities. For all, it can be a spiritual as well as physical experience. In order to rule ourselves, the men of **The Regiment** must be prepared to serve others. Many of our brothers are wounded warriors. Homophobia, illness, substance abuse, and isolation have taken a heavy toll on the community. As we strengthen ourselves through **The Regiment**, we must be prepared to reach out to those who are in need of our strength and offer whatever help we can. Spiritual wealth can only be measured by the amount that is shared.

POLICIES: *The Phallic Quest* is meant to be informative, educational, entertaining, and a vehicle for networking. Your letters of criticism and comment are invited and will be published, unless you instruct otherwise. Also, we solicit your articles, poetry, short stories, and art work. At this time, we can pay no remuneration to you, but your work will be appreciated by all of the readers. However, the editors reserve the right to refuse to publish your contributions if they feel that your contributions do not contribute to the purpose of *The Regiment* or *The Phallic Quest*.

We also solicit your questions regarding your spiritual and sexual lifestyles. Unless otherwise instructed, they will be published in the column entitled "Queeries."

Finally, there will be an "Ad" section for networking. Your ads should be short, concise, and tasteful.

The Regiment is a non-profit membership organization. However, *The Phallic Quest* will be available to non-members by subscription.

Drummer editor's note: When I talked to the founders of The Regiment, no one was quite sure yet what it would take/cost to be a member or to subscribe to the newsletter. I suggested that, for the time being, they might follow the lead of MAST (Masters and slaves Together) which would mean operating without establishing fee schedules and such at this point. They seemed to like the idea because, "we're kind of low-key on the organization stuff, but really high on individuality." My corresponding suggestion to you is that if you write to The Regiment or request a copy of *The Phallic Quest*,

you should send along a few dollars. (Try at least \$5, \$10 if you can afford it.) This way the group may even be able to function without definite charges, meaning they can serve those who can afford nothing.

FROM TPQ EDITOR LARRY PASCOE'S DESK: Howdy to y'all from Dallas, Texas. Joe (Laiacona) is in Chicago and Mike (Leathers) is in San Diego. So we almost have the country covered. And you will be hearing from each of us in almost every newsletter.

I am really excited about this venture into the world of communication. I feel that The Regiment has a hell of a lot to offer to a hell of a lot of guys. So listen up, hear?

. . . most of all (in the newsletter) we are going to explore the ways we get where each of us wants to go. We are going to take hard looks at our goals and what it's going to take to get there. Does it take whips and clips? Does it take really getting "into" our bodies as well as our souls? Whatever it takes, that's what we're going to talk about.

. . . this newsletter won't "preach," it won't say that there is only one way. That's why we need your input. We want all our readers to hear all sides, so that they can choose what feels right.

. . . Blessed Be! Larry

Then, also from Larry, there is an introductory column called "The Sex of the Spirit and the Spirit of Sex." He says his column will be about "sex, spirituality, meditation, visualization, ritual, sexual ritual, pain (both sexual and non-sexual), metaphysics, and a whole bunch of other stuff which basically has to do with your *self* and your *oneness with the Universe and its energies*. . . Obviously, this is a tall order."

Then Larry goes on to give some specific visualization exercises.

Mike's contribution is called "Our Primal Gods." The essay here is on the historic evolution of the gods and the modern separation from them. Nicely done.

". . . when men step outside the relative safety and convenience of their cities, the ancient forces are still there waiting to welcome us back. All things that exist have a natural place with, and are a natural expression of these primal forces. Since homomale men obviously exist, we must, therefore, perform some natural function in the cosmic harmony. Power-hungry bigots separated us from our proper place, so it is up to us

to reclaim it."

Later in the column: "The primal symbol for the masculine force is the erect phallus . . . Worship of the phallus through erotic pleasure is the beginning of all ethics, and the path to becoming, once more, natural men."

And, appended after the end of the column, Mike writes: "Never look for something unless you want it; the gods may amuse themselves by giving it to you."

In another piece, "A Vision Quest for Homomale Men," Mike presents an exercise which we will reproduce in its entirety here:

Guided visualizations are an enjoyable way to explore what's going on inside our own heads. They can be used to draw symbols and images up from our unconscious so that we can examine them to see what they mean to us.

Just lie down on a bed or couch, without a pillow, and relax, and have a buddy read the following story to you slowly. Whenever he comes to a place that I have marked [PAUSE] in the story line, he should stop until you signal him to continue.

VISUALIZATION NO. 1

Stone walls vibrate with the basso chanting of men. The temple is warm and dark. Flames leap up from the fire pit before the huge phallic stone at the back of the chamber. The red glow flickers across the polished stones and the oiled muscles of the gathered men. High, tight boots bind their legs in black leather. Ball straps keep their nuts loose and low. Sweat runs in streams down the broad chests and ripped muscles of these men. Every cock is erect and dripping. They have assembled for the ritual.

You stand among these men. The smell of their heated bodies, the dampness of their sweat, the deep rumble of their masculine voices as they chant, all draw you into a oneness with your temple brothers.

The head priest stands naked before the great stone altar. He wears a

large bronze medallion on a chain around his neck. What symbol is inlaid in gold on its surface? [PAUSE] What does this symbol mean to you? [PAUSE] He holds aloft a ritual object. What is he holding in his hands? [PAUSE] You walk closer to examine it. What is it? [PAUSE] The

head priest hands the ritual object to you. What does it mean to you? [PAUSE] What do you do with it?

There are things lying on the altar. Pick each one up and examine it as you describe it to yourself. [PAUSE] What messages do they have for you? [PAUSE]

The head priest is speaking to you now. What is he saying to you? [PAUSE]

To your left, in the shadows, is a

living creature. This is a sacred animal of your temple. What kind of animal is it? [PAUSE] You caress the animal and draw its spirit-power into yourself. The animal looks deep into your eyes and speaks to you. What does it say? [PAUSE]

The chanting is growing louder now. A deep throbbing drum keeps time with the rhythm of masculine voices.

A very desirable man steps out of the ranks and comes to stand before you. What does he look like? [PAUSE] How

does he smell and feel? [PAUSE] What do you want to do for him, to him, or with him? [PAUSE] Soft black leather hides cover the floor stones before the altar. You and he lie down upon this leather bed and . . . [PAUSE]

Afterwards, you both walk up to the fire pit before the great phallic stone and make an offering to the gods. What do you offer? [PAUSE]

You now return to stand among your temple brothers as the chanting and the vision fade. [END]

When you are ready to speak, discuss the things that you saw and experienced with your buddy, then change places and read the text to him. Each time you try this exercise, you will encounter different symbols and situations. If you keep a written record of each "trip," in time it can become a mirror of who you truly are.

The Phallic Quest also includes a lengthy poem by Larry, a brief fantasy called "An Insider's View" (which looks at being fucked with inner eyes), and a Question and Answer column. The questions are answered—and presumably posed—by the editors, opening a space in which reader questions will be answered in the future.

All in all, **The Regiment** and *The Phallic Quest* seem to be reasonable responses to the current interest in SM and spirituality, or good starting points in any case. To find out more or get involved in making them what you believe is needed, write **The Phallic Quest**, P. O. Box 138421, Chicago IL 60613.

LT

LT is a hard working man, but sometimes his mind wanders. Usually a trip to the gym clears his head, this day it didn't. So, even though it was not yet open for the day, he stopped by his local leather bar and gave himself a second work-out. . . for our photographer, and for you! BROILER MAN

by Richard A. White

illustrated by RAW

Sometimes a guy working in a kitchen every day gets obsessed with a particular piece of meat.

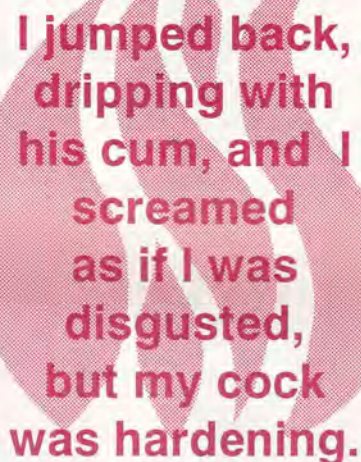

Fabrizio was the head chef, and I was his assistant at the broiler. I was thirty at the time. He was thirty-five. He was lewd, loud, coarse, common, charming, and totally devoid of scruples or morals of any kind. He was married and had two sons aged eight and ten, Paolo and Marco. His wife, used to years of his pussy-chasing, had become a strong and aggressively outgoing woman. In short, he was a pig and she was a bitch. That's what I called her, Marianna the Bitch. Never just Marianna, always her full name, Marianna the Bitch. I wasn't sure if her being a bitch is what made him fool around so often, or if Fabrizio's fooling around made Marianna a bitch. Didn't matter. I loathed her, and craved him.

The restaurant that Fabrizio owned with a partner was a very trendy eatery on Gramercy Park. The kitchen, surrounded by glass walls, invited the chefs to perform for the customers as they walked past our stoves and broilers. And we performed. Flaming pans of wine and meat drippings, thick whipped mounds of zabaglione in shiny metal bowls, elaborate garnishes, and flying knives cutting a myriad of vegetables. Fabrizio was a star, and a ham. Any cheap trick to get a smile or a shock from some heavy-titted bimbo in a chic frock.

Fabrizio could get away with it. He had the devil's own black eyes, and a choir boy's grin. His thick bush of black ringlets looked wildly sexy when they were wet under his chef's hat. His white uniform shirt was always opened: two buttons at the neck, showing waves and waves of coiled black fur. His body was nothing unusual: the typical thick legs of peasant-stock Italians with buns to match. His chest was getting soft already and he hadn't hit forty. But he had a smile that made the white tiles of the immaculate kitchen walls look dingy by comparison. He walked bow-legged. He said it was because his cock, never encased in underwear, needed room to flop around. He loved enticing and teasing me. Typical Italian. He also loved the attention, male or female. It was no secret to me (or to Marianna, or the staff, or his partner) that Fabrizio was having an on-going fuck-thing with his partner's wife, "Jaws". Or so we called her. Her wide mouth, full lips, and strong jaw made her a natural

for the nick-name. Not to mention that she could swallow thick long cocks without a wince. Fabrizio told me. Often. He'd relay how Bella, his partner Toby's wife, would lie down and have him fuck her before she'd get hot enough to let him fuck her asshole. She wouldn't let him fuck her pussy. Ever. Not out of any loyalty to her simpering bore of a husband, Toby. No. She just liked it better in the ass. "Hell, that pussy's so loose, I'd never get any friction, even with my fat bone!" Fabrizio hated women. He just fucked them and tortured them. Respect from men was more important to him than love from women. They were easy for him. Abominable man, right? Yeah . . . and I salivated for his cock.

He often let me see it. Under his chef's apron, he'd sometimes pull his dark-skinned, hooded cock out, along with his incredibly hairy balls, and let

I jumped back, dripping with his cum, and I screamed as if I was disgusted, but my cock was hardening.

them flop under the apron while we worked. "Gotta let meat breathe," he'd strut around the kitchen for hours, teasing me by reminding me of that flopping cock-and-balls. Then, when I was at my busiest, with fifteen or twenty orders going at once, he'd turn his back to the windows of customers and raise his apron. He knew I couldn't look for long or move to touch it. My hands were full. His absolute unhavability was what made him so fiery to me.

A smart broiler man always keeps three or four white kitchen rags in his back pockets for picking up hot pans, plates or utensils, and also so he can wipe the drippings off a plate about to be

served. One night I had seven whole lobsters about to be plated. Fabrizio turned his back to the windows, raised his kitchen apron exposing his cock and balls. His foreskin hung a full inch below the fat helmet of his cock head. I was deftly balancing all these plates and lobsters when Fabrizio took one of my rags out of my pocket, then he slid back the hanging wet hood of his cock, and then wiped the slimy pudding inside. He stretched out the skin with one hand while he churned the rag into his skin with the other. I fuckin' died of laughter but never dropped a single lobster. Then he put the rag back into my back pocket, giving my ass a tweak. "Bet your hole is tighter than Bella's, Rich . . . shit, she's gotta fart for me to get any friction in her asshole!" He howled at his own joke and put away his meat just as a waitress walked in to pick up the lobsters. We were still howling. She could guess what kind of disgusting thing Fabrizio had done. She huffed out. "Fish . . . only good one's are poached," Fabrizio snorted as the waitress left.

I admit it. I kept the rag. I smelled it later, beating off and thinking about that absolutely gorgeous cock and balls of his. His cock hairs were long shaggy black coils, not the short sparse fuzz so many men have on their cocks. There were a couple of hairs in the rag. I saved them, placing them on an index card with transparent tape. I stared at them all the time in a frame by my bed. Needless to say, the fabled hairs were taken down when I had visitors. They were my personal pieces of Fabrizio.

I had more. In a small Chinese stamp-box, I had Fabrizio's sperm.

One night, I had finished putting away the left-overs from the night's shift. Fabrizio was downstairs, changing in the prep-kitchen. I went down. No Fabrizio. I walked to the shoddy little wooden door that opened to the toilet used by kitchen help. I yanked at the rope that hung from the hole where the door-knob used to be. "Inna minute," Fabrizio chuckled from inside. He knew I could see into the bathroom through that hole. "I'm beating off, Rich." He made loud gasping sounds and I heard meat flapping. I couldn't stop myself. I had to see his hard-on. There he was, bare-assed and leaning back on

the ugly old toilet, hammering at his fleshy tube. Even erect his meat was dark, probably from years of being beaten by his big hands. He exaggerated all the sounds he was making, calling me by name. "Yeah . . . oh, yeah Rich . . . I'm getting close . . . I'm gonna cum . . . oooooohhh! Fuck! Yeahhhh!" I could see his big grin as he threw his head back and bellowed obscenities. Then he looked at the door, still pumping his cock. "OK, Rich . . . I'm done . . . c'mon in." His foot undid the latch on the door. I opened it. He shot onto my apron, howling with laughter. I jumped back, dripping with his cum, and screamed as if I was disgusted. But my cock was hardening, looking down at his cum. He jumped up and ran to the row of hooks where we kept our clothes. He was still laughing. I took some toilet paper and wiped the cum off my apron. I kept it, and put it in that tiny, tacky glass Chinese box. It's now all yellowed and stiff. I still look at it, right under the frame with the cockhairs.

Typically Fabrizio, he told the story all over the restaurant and to any new employees for as long as I worked there. I always feigned embarrassment, but I loved hearing him tell the story to shock waitresses.

And I have more.

Once, after Fabrizio and Bella had gone off for a quick fuck in his car, he returned to help me close up the kitchen. He was grinning to himself all the time, humming some unrecognizable tune. Suddenly Bella strutted into the kitchen. She was carrying a pair of black satin bikini briefs. "Very funny, Fab," she hissed at him, then flung the soggy drawers on top of the trash barrel lid. Fab howled. I looked at him, waiting for the story. "I left them on the front seat of her car. I figured she'd like a souvenir." She didn't. But I did. I went right to the trash bin where she'd dropped them and stuffed them in my pocket. Fabrizio howled again, slapping the counter, "Yeah!!!" There was still a whiff of piss, ballsweat and cum in them later that night when I covered my face with his shorts as I beat off, remembering the sight of his hard-on in the toilet. I saved them and placed them in a plastic container that used to hold the lubricant I beat off with. When it was empty, it became the home of Fabrizio's drawers.

Now don't read me wrong. These are not the actions of someone deprived of sex or looks. I was only thirty then, and still having a lot of sex. I was fucking a *lot!* But this man enslaved me with his taunting, and his fabulous cock.

I found myself going to bars and clubs, looking for Fabrizio types. Dark,

curly hair, fuzzy chest, thick legs, a swaggering self-confidence, and an uncut Italian cock. Some would have two or three things in common with Fabrizio, but most could never muster his arrogance, his taunting, haunting sexuality. They usually ended up sucking me hard, then I'd fuck them while I thought about Fabrizio's hairy cock and balls.

Fabrizio had a fraternal twin brother, Claudio. Or "Clod" as we all dubbed him.

He bore a family resemblance to Fabrizio but he was fatter, wore glasses, and was a fool . . . not unintelligent, just a fool. He had all the vile things in his make-up that Fabrizio had, since he adored his brother and emulated all the wrong things about him. He had none of Fabrizio's talent, power, humor, or sex. He was clumsy and absent-minded, and he masked his ineptness by taking on all the swaggering macho attitudes of his brother. Clod was the joke of the restaurant. Our way of laughing at the owners' power over us, our need for our jobs. Clod became the target of all the ridicule we dared not give to "Jaws" for her slutty manner, to Toby for his cuckold mentality, to Marianna for her endless complaining or to Fabrizio for his lecherous ways. Clod got it all. And we would sadistically set him up to make a fool of himself. Fabrizio knew what we were up to, but his Italian pride wouldn't let him step in and chide us or try to protect his shabby shadow. No. Fabrizio pretended not to see the pranks we played on Claudio. I was the worst offender since my obsession with Fabrizio made me resent as much as desire him.

Claudio wasn't much of a waiter. He was always late picking up his plates to serve at tables. I had rung his signal three times, and still he hadn't shown. I took the two dinner plates and placed them in the broiler, "to keep them warm." Fabrizio was slicing a loin of lamb and paid no attention. His smirk was gone; his arrogance silent. I waited until I saw Claudio coming toward the kitchen through the windows. I used the rag from my back pocket to place the plates on the counter. "Table 18, Claudio," I said matter-of-factly. He reached for the hot plates and dropped them. I turned and looked at Fabrizio, annoyance in my face at Claudio's ruining the meals. "Always assume anything in a kitchen is hot, Claudio. You'll have to wait for those now." Fabrizio never even looked at me or Claudio.

Taunting Claudio was my only way of balancing the power that Fabrizio had over me. And I'm certain he knew it, but he never said a word to me about it. The more I made a fool of Claudio, the more Fabrizio teased me with his sex. I had quite a perfect set-up. And I think even Fabrizio got off on it. He knew what a fool his brother was, but he couldn't bring himself to yell at him, nor could he deny my abuse of Claudio. And my abuse of Claudio brought me more of Fabrizio's sexual games. I loved it. The staff knew none of the games that Fabrizio and I played with each other except for that infamous toilet incident, so they looked

up to me as a sort of champion of the underlings. Little did they know. My demeaning Claudio was pale compared to the taunting that Fabrizio gave me.

During a particularly heavy Sunday brunch, Fabrizio and I were so swamped that we didn't have a second to talk or play: 230 entrees in four hours! There was a small room behind the main cooking area where the dishes were washed and salads prepared. Fabrizio, after the

last order went out, stepped to the slop sink and splashed cold water in his face. I came in to do the same, but before I reached the sink, Fabrizio dropped his pants and farted at me. I don't know which was more shocking... the lush growth of black hair around his hole or the sight of that pink pucker splatting open at me. I bellowed with laughter as did Fabrizio. The dishwasher hadn't seen anything, it had all happened so fast and

he was buried under pots and pans and dirty dishes. Tony. That was the dishwasher's name, now that I think about it. He was a big burly Puerto-Rican who spoke no English. But he understood Fabrizio's Italian a little. Fabrizio started to call Tony my "esposo" (husband) and they'd both laugh.

One night we were changing after work. Tony was nearby. He never stripped completely, since he knew I was gay. He'd get down to his shorts, turn away and put on his jeans. After the farting incident, Fabrizio would constantly remind Tony that he was my "husband" and get a laugh. I was tired of the joke. When Tony bent to get his jeans, I pulled down his shorts and spun him around before he knew what hit him. In the little Spanish I knew I pointed to Tony's little cock and said, "No esposo . . . esposa! (wife!) la benga pequeño!" (small cock! . . .) Tony was horrified. I laughed and patted his shoulder to try and tell him that it was a joke, after all. He smiled. But Fabrizio knew that I had deprived him of a joke at my expense. "Now if he had *your* cock, Fabrizio, I'd be on my knees in a flash." Fabrizio laughed. What else could he do???

These erotic maneuverings between Fabrizio and me were electrifying to me. His respect for me grew as I found ways of evening the balance between us. He knew I was as adept a cook as he was, even if I wasn't yet as creative with meats and fish. This dance of arousal between us was a testing, a verification of our powers. And it was ours alone. No one, not even "Jaws" saw the crackling tension of excitement we generated with each other. We had, such as it was, a "relationship," and one unlike any I would ever have again. And it was very private, even though it happened in very public places.

I remember the first time Fabrizio let me touch his cock. He and I were nearing the end of a slow Wednesday night. A former trick of his was sitting at a table near the kitchen, facing Fabrizio's window. He kept waving and grinning at her as she dined with an older (and richer) man than Fabrizio. Fabrizio decided to pull a prank on her. He yanked his meat out of his pants, keeping it hidden under his apron as usual. He kept staring at her and smiling and waving until he was hard under the apron. I could see the shaft tenting out the fabric. Then he spread his apron over the counter-top where the plates were stored. He set a plate under his apron to hold his hard-on. He beckoned her over. "Oh, Fabrizio," I said, "No! You gotta garnish the meat with parsley!"

He laughed and said, "Do it . . . do it!" I lifted his apron just as his ex-trick got to the window. I placed fresh sprigs of parsley under and around his cock just as she looked in the window. Her eyes bulged but she didn't look away. I put one more sprig inside the lip of his taut foreskin and his cock throbbed. Fabrizio stood there with his arms folded, grinning at her. She turned away, feigning to be horrified, but gave one last look as she walked away. Fabrizio howled. He shook my hand. "Some nice touch you got, Rich . . . lookit me . . . still hard!"

"Forget it," I said, "I would never stoop to being another hole that you plug and laugh at."

"Hey, Rich . . . c'mon . . . you gotta be a man to take it up the ass, y'know?"

"Sure, Fab, sure." I shook my head walking away, smiling at him. His cock still bobbed under the apron. I turned to Tony and pointed to Fab's hard-on. "Esposo! Immenso benga!" And we all three laughed.

That night I must have beat off four times in an hour thinking of the feel of that hard heated shaft in my hands as I raised the thing to garnish it. All my souvenirs of him came in handy that night.

I had started a new phase to our games. Rejecting Fabrizio the way I had done, while he stood there with a hard-on, roused his macho pride. It was no longer a test to see how he could taunt or shock me. Now the game was to force me to admit I wanted him. I liked this.

Claudio came into the kitchen after his shift and asked for a plate of pasta. Fabrizio and I were nibbling on the last of a piece of venison before closing down the kitchen. "So Fab," Claudio said, "I hear you served your cock to an old friend!"

Fab laughed. "Yep . . . and Richard garnished the plate for me." I hated that Fabrizio let that fool inside our private world.

"You're kidding!" Claudio said, thinking he had an edge over me.

"Of course, Claudio, some of us have guts and some of us don't!" Claudio lost his edge.

Fabrizio laughed and said, "Yeah . . . you gotta be a real man to take it up the ass, Claudio!" I went on eating, unamused.

Claudio said, "Fab and I posed for a guy when we first came to New York . . . naked . . . twins, you know? Fab stood over me while I bent over. It looked like he was fuckin' my ass, y'know . . . funny . . . funny . . . got published, too. *Fag Rag* or something like that, right Fab?"

"Right," Fab grinned, but I could see

he wasn't pleased that Claudio admitted this, and said, "The Fabulous Botero Brothers . . . no cock showin' though . . . too bad."

"Was it up his ass?" I taunted Fabrizio.

"Nope . . . Claudio's not my type."

Fabrizio was becoming more and more uncomfortable with this conversation. He served Claudio a plate of pasta in silence. Not looking at me.

"But you were hard, though . . . Jesus, he could always get a hard-on so fast," Claudio rambled stupidly.

"I can have more respect for your taste now, Fabrizio, since you said Claudio's not your type," I smirked and swallowed the last bit of venison. Fabrizio just kept his phony grin on and shook his head. The scale had definitely tipped my way.

Later, Fabrizio and I were changing. He made a point of standing next to me naked, folding his chef's clothes neatly. The movements made his meat swing. Then his cock brushed my wrist. The heat of that fucking thing was incredible, and the full bush around it brought gooseflesh to my arm. "Sorry," he said toying with me. "I'm not, Fab . . . not at all." I wondered how far I could dare go without losing my job.

"Y'know, I know what ya thinkin' . . . it ain't true . . . me an' Claudio never fooled around," he said, still naked and folding clothes.

"I know . . . no man who hates women like you do would be gay. Contrary to myth, gays have a secret respect for women, generally." He chuckled at this. He reached for his shirt hanging in the locker and again his meat grazed my hand as he brushed past me. I saw it start to thicken. "Nice cock, Fab . . . and believe me I've seen a lot of 'em. That's a beaut."

"Yours for the askin' Rich. I see your boyfriends . . . you gotta give good head to keep them beauties around you."

"I won't ask . . . I would lose my job and my self-respect."

"Ahhhhh . . . I wouldn't fire you . . . you're too good . . . I only fire people who don't do their job. Fuck their personal life," he said, still naked and shaking his shirt out. Then he reached for a T-shirt and his cock was slowly peeking out of the foreskin. "All you gotta do is ask for it," he taunted.

"Never," I chuckled. I finished dressing. The scale had tipped even further to my advantage.

"C'mon . . . you want it . . . I know you do . . . I see your eyes . . . you like what you see."

"Yep," I smirked, "on equal terms .

No begging."

"What equal terms?" he seemed hooked now.

"You tell me what you want me to do to you, and I'll think about it," I was terrified of going too far, tipping the scales too heavily in my favor.

"I want you to suck me off right here. Make me cum," he was fingering his cock-head now.

"And what about your ass . . . like that played with, too?" I drew out the scene a little longer, delighting in my audacity.

"How?" he perked up and his cock was fully hard in his palm.

"Like maybe a tongue up there? A finger while I suck you off?"

"I like it . . . yeah . . . but most cunts got them long fingernails and they scratch my ass wit' 'em."

He had to mention women to remind me that they were what he preferred. Another tip of the scale in my favor. I wasted not another second, and went to my knees.

"Tell me what you want and I'll do it."

**I spread my tongue
as wide as possible
and slid it up and down
his fuzzy crack.**

"Lick my asshole . . . should be real ripe by now." He turned and spread his thick hairy cheeks for me. Ripe he was.

I dove for his shit-hole with a fever created by nights of longing. I cupped his balls in my hand as I nursed and kissed and licked his shitter. I spread my tongue as wide as possible and slid it up and down his fuzzy crack. He hummed in delight. I could feel early juices slithering from his cock onto my hand as I rubbed his balls. His legs were classically Italian: thick and hairy. I ran my other hand over them as I nursed his pucker so hard it pouted out at me. I turned him to face me.

"You're wild, Richard . . . fuckin' wild . . . suck me," he whispered.

"Tell me you want it," I smiled up at him.

"I want it . . . I want you to fuckin' suck my cock and make me shoot my load in your mouth," he chuckled. He waved his fully hard bone at me, sliding the foreskin back and forth. Dribbles of prick-flow spilled onto my hands.

I didn't even lick the shaft like I usually do. In one long swallow and in one movement, I slid his cock in my mouth. Finally. I was tasting the real thing. And he'd admitted he wanted it. Even game. He ground his thick hips in a circular motion slithering his cock in and out of my mouth. Sighs, moans, grunts. Most of all, "Yeah . . . yeah . . . do it . . . I want to shoot." I nursed harder, then used my hand to bring him off. I slid my index finger into his ass-hole and he yelped in delight. Then his legs began to buckle and I knew he was close. I saw the first thick white drops flick out and I went way down to the root of his cock, not spilling a single drop. Bitter, tart and salty, even a little garlic flavoring. He was a gourmet's dream. His balls slapped and slapped against my chin and his shit-hole tightened around my finger. He rammed into me until he was finally spent. "Hhhhooooo!!! Fuckin' great Rich . . . really fuckin' great!" he yelped. I was satisfied. And I had the smell of his asshole to take home with me. We dressed quickly and left, waving goodbye. After that, there were no more taunts from him in the kitchen. And I never had him again. Nor did I ask for it. The game was a tie. And it was over.

LEATHER NOTEBOOK

By Larry Townsend

Dear Larry Townsend,

I don't know what to do. I've broken up with another lover—the 5th in 6 years. And again I don't know what went wrong. Yeah, it was the same explanation: "You're really nice, but I'm not ready to settle down." Or, "You're one of the best friends I ever had, but I don't like you sexually any more. I hope we can still be friends." (Ha! Fat Chance!) I don't know what I'm doing wrong. The last one, we just came back from an RSVP cruise and he said, "I don't want to date you any more. I need space."

I'm 32, a bottom looking to settle down with a Top. I love intense sex-bondage, spanking scenes, dildos, fisting, etc. I'll even go for 3-ways. The men I meet are generally into being Top, but after a couple of weeks, months, our sex life peters down—a lot. Then I realize what will be said in another couple of weeks: "You're really nice, but . . ." I've enclosed a picture. What do you think?

D. P., Chicago, IL

Dear D. P.,

In any relationship that's going to last, it is necessary for each partner to be mature enough to recognize his own failings as well as those of his partner. In order to land five lovers over the space of six years, you must have something going for you—several somethings. On the other hand, you're obviously doing something wrong. You may be attracted to guys who are not emotionally equipped for a long term situation, in which case the only fault lies in your selection of partners. Or, as a bottom, you may not be playing the role as you should—too submissive? Or the opposite—too pushy and directive when your Top is trying to take control? Maybe it isn't the sex; something else may be responsible for the break-ups. There are so many possible variables, it's impossible to make a definitive assessment from long distance. You have got to be very introspective, and willing to do a careful mental evaluation of what's happened in these past, failed relationships, and above all be willing to

Photography by Jim Wigler

accept your own shortcomings. In the long run, they are the only ones you are going to be capable of changing. (In your photo, you look like a Top. Do you ever play that role? Might that be something your partners would have liked? Lots of guys switch these days.)

Dear Master Larry, SIR,

My Master requires me to lick his work boots clean every night. He works at outdoor construction and doesn't have time to look where he's stepping. Sometimes his boots are caked with mud, dirt, and construction debris, but he still requires that I lick and clean them spotless for him using just my tongue. My concern is that I might catch something. Could I get parasites if there is some dog shit mixed with the mud? What about asbestos fibers, or who knows what else may be on them. I am really concerned about this. I do want to please him, but this demand seems like it may be hazardous to my health. Otherwise he is very good to me. I do enjoy having his boots holding me down, and he always lets me cum while he's fucking my ass.

A leather bootslave, AK

Dear bootslave,

Although you are one of the lucky ones, having found a Master who has taken you in and appears to be training you properly, you may indeed be exposing yourself to health risks. You have already enumerated the most obvious, so that is not really the question. More to the point are the several decisions you will have to make. If you can verbally express your concerns to your Master, you should do so. If you are afraid that doing this is going to terminate your relationship, you'll have to make your choice. Is it worth the risk you're taking? If not, then approach him even if you think he's going to toss you out. Otherwise, you must decide whether to stay or not. No one can do it for you. (As I write this, I have two slaves reading off the screen. One says, "Tell the Master to fuck-off." The other says, "Eat his shit if you have to, but do what he wants." That's a big help, isn't it?)

Letters going to Canada and Mexico cost 40 cents for the first ounce, 23 cents for each additional ounce. Foreign overseas postage is 50 cents for the first half-ounce, 45 cents for the second half-ounce, and 39 cents for each additional half-ounce. 4) Put the sealed letter(s) and a buck (\$1) forwarding fee for each letter in another envelope, and mail it to: DESMODUS, INC., P. A BOB JONES DOUBLE SPECIAL

CAUGHT in the Act

RICK BOLTON

When Kyle Brandon is caught peeping in on straight boy Rick Bolton, the Peeping Tom is in for an experience in severe sexual play that even he could not have imagined in his most off-beat fantasies. Kyle is overpowered and dragged to Rick's private sex dungeon. Rick, a hard-bodied, hunky natural top, decides that Kyle had better please him...or else. From the moment the penis gag is forced into Kyle's mouth, the action is *very real and very rough*. Tit torture, whips, hot wax, forced fellatio—Rick has a seemingly unlimited capacity for amusement. And when Rick leaves the house, he invites his friend Justin Young to stop by and use the new sex toy! And the action continues...

KYLE IN BONDAGE... FANTASIES

When Mark Flyer answers an ad for rooms for rent, he is surprised to see handsome Kyle Brandon as the guy in charge of the house. But Mark is even more surprised to see the collection of bondage equipment in the basement dungeon. Follow these two guys as they experience Kyle's bondage fantasies: leather, chains, gags, collars, harnesses...and a special variety of toys and torments.

Lighting and camera angles heighten the atmosphere of the superb dungeon of "The Brotherhood" (Boston, MA), and the video explores every aspect of Kyle's involvement with bondage with ruthlessly honest videography.

Get out your checkbook NOW and write a check to Campaign for a Hate-Free Oregon! Then try to think of other ways you can help your community defeat the Oregon Citizens Alliance before its campaign of hatred and prejudice becomes the nation-wide movement they have planned. If you can produce a fundraiser in your city, do that. If you can run a copy of this ad in your club's newsletter, or post copies of it in your local leather bar, do that. If you can go to Oregon to join the physical effort, go. DO SOMETHING! But, of course, start by reading the ad below carefully so you will know what the threat is—to know your enemy is the first step in any battle.

"YOU ARE NOW ILLEGAL!"

THIS is the intent of a ballot measure sponsored by the Oregon Citizens Alliance (OCA) which in all likelihood will be on Oregon's November 3rd ballot. The conservative group has until July 3rd to collect just under 90,000 valid signatures, and as of March 31st was nearing the halfway point.

WHAT: The goal of this ballot measure is to classify homo-sexuality, sadism, masochism and pedophilia together as "abnormal" and "perverse", and to forbid the State from "promoting" homosexuality, ie: Removing all gay-positive literature and counseling from public schools, prohibiting gays from discussing safe sex techniques in classrooms, possibly even prohibiting the State from issuing drivers licenses to our people!

THIS IS THE FIRST TIME IN HISTORY ANYWHERE THAT SAFE, SANE AND CONSENSUAL PERVERTS HAVE BEEN PLACED IN CONSTITUTIONAL JEOPARDY!

THE OCA IS BACKED BY MAJOR NATIONAL "BIG BUCKS" right-wing organizations. IF SUCCESSFUL IN OREGON, the OCA has promised to take its campaign to Washington State, then to Idaho, and onward nationally, in its self-righteous attempt to exterminate our legal existence. We are not talking about the back roads of Mississippi! We are talking about a major metropolitan area! In 1992, not 1792!

SO HOW CAN YOU HELP? JOIN US AS WE PLAN THE OREGON FREEDOM FESTIVAL, a 3-day celebration of diversity designed to raise half a million dollars and the public consciousness about the need for basic civil rights for gays and lesbians, and practitioners of safe, sane and consensual s/m. One highlight will be **The Oregon Freedom Walk**, a pledged walk of thousands of Northwesterners and our supporters, moving under banners beaming a message of political, religious and social solidarity against the most dangerous assault waged in America to date by the Radical Right against *all* persons of reason.

This event now promises to be Portland's premiere event of the summer, and was all started by the Leather Community! Since perverts comprise 10% of the gay/lesbian community, another group targeted by the OCA, we think that the International Leather Community should raise 10% of the weekend's goal, or \$50,000. Portland's small leather community has already raised \$3,000 just by itself!

WHOM TO CONTACT: JAN LYON, Co-Chair, National Leather Association, 1991-92, at (503) 286-9968; or **K. T. CHASE**, International Master 1992 and **SUSIE SHEPHERD**, International Slave 1992, at (503) 286-1752. **HAVE YOURSELF (or your club) A MAJOR FUNDRAISER FOR OREGON TODAY AND SAVE THE NATION FROM HAVING ONE FOR YOU NEXT YEAR OR THE YEAR AFTER THAT! TAKE CHARGE OF YOUR LIBERTIES NOW--WHILE YOU STILL HAVE THEM!** Plan a fundraiser the same weekend if possible, then send your money to Campaign for a Hate-Free Oregon, P.O. Box Post Office Box 3343, Portland, Oregon 97208. *Please send Jan a copy of your check or cover letter so we can track the National Leather Opposition to the OCA!* Let's give credit where it's due! Send your copy to Jan at: Jan Lyon, National Leather Association, P.O. Box 17463, Seattle, WA 98107.

Note: Oregon law requires that individual donations of over \$50.00 be accompanied by name, address and occupation of donor. Smaller contributions are not subject to the same scrutiny.

When they finally get together, it's a hot and sweaty scene. After heavy foreplay, David ends up with the best of Mark in him. Assholes Eric and Justin play with each other until Eric finds its way into Justin. Fuck My Hole Two hunky army men meet while playing pinball. After checking each other out, they strip naked and get into heavy sex on the floor. Ball Lickers David's teacher made passes at him all year long. Today, David gets the biggest lesson of his life. Eat My Hole Hot trio with a black stud sitting on a blond hunk while Justin watches and plays with himself. Pig Out Tom and John savor each other, until Tom turns John around for a lesson in manhood. Ass Eaters David knows how to please his johns. He works hard on Jack and then lets him have all of him.

Leather Rituals \$29.95

Tom ties his 'slave' up in chains and hangs him from the ceiling, then performs all kinds of physical abuses on him. Grease Fuck. A leather masked master, gets his boots licked. Later, he uses engine oil for lubrication on his submissive partner. Erotic Thrills. Pat's on a sling worked over by BJ and Pete, who later uses his well endowed tool on BJ with Pat's help. Forced Entry. Sebastian, wearing a tight leather outfit drags one of his slaves by his dog collar and delivers him to his master Dick who abuses him savagely. Portraits of Pleasure. Musclemen Jeff shows off his muscles and leather harness to Jesse who after some hesitation lets Jeff do him wildly. Suck-Fest. Keith ends up tied up in chains while three naked hunks feast on his assets.

WHERE LEATHERMEN MEET

By placing an ad in this section, a bar or other business is telling you that they welcome Leathermen.

By accepting their ad, *Drummer* is telling you that the bar has been recommended by a Leather/SM club or a recognized individual in the community as a good place to meet and socialize with other Leathermen. In larger cities, these will be *the* leather bars; in other areas, they will be the more general purpose bars where Leathermen do go to socialize.

Help us to alert *Drummer* readers and travelers to the *right* place to go to meet Leathermen in your part of the world. Send us your recommendations and talk to the right bar owners and managers about placing one of these low-priced ads. If you see a business listed here that you think shouldn't be, let us know about that, too.

QUEBEC — At least three days before they suddenly fled the Huron camp of Ihonatiria, the Iroquois war party was planning to systematically torture to death a backwoodsman and every adult male remaining in camp, a group of French-Canadian trappers visiting the village was told Friday.

Backwoodsman Jacques Chenonceaux provided evidence of Iroquois intentions to enslave the women and children and to massacre every adult male. "These are knives for flaying, these tree limbs are for beating and breaking," Chenonceaux said of the evidence found in the camp. Added Chenonceaux, "It just shows the incredible level of hatred and cruelty."

Earlier, the trappers entered the Longhouse headquarters of the occupying marauders in which the torturing of Chenonceaux and the Huron males sometimes took place. The trapper spokesman Pierre Montagnard said they were shown clam shells which were used as saws for cutting off fingers, knives for flaying, sharpened sticks for piercing muscle, twigs and bark for burning sensitive parts of the body, and tree limbs for beating. "The Iroquois used the term caress for the cruelties inflicted on the prisoners," said Chenonceaux. "It was pretty horrible, several Hurons were caressed simultaneously. I was stripped naked and staked out on the ground outside the Longhouse while the Iroquois delighted in humiliating and tormenting me." The muscular, 34 year old backwoodsman showed the scars where his armpits and genitals were blackened with burning twigs. "Those damn savages took turns torturing me and the others, but they also made sure we were given sufficient rest between sessions so that we would last longer."

Chenonceaux was tortured periodically for two days before the Iroquois suddenly fled Ihonatiria, apparently their departure was linked to the advancing trappers. Despite his several injuries, Chenonceaux is "just thankful for the rescue and glad to still be alive." The trappers made no plans to pursue the marauding Iroquois war party.

ANOTHER HOT DRUMMER/ZEUS SM VIDEO

USSM/FOUR

Each September for the past three years, on the occasion of the Mr. Drummer Finals, Drummer/Zeus Co-Productions has filmed a USSM video for leathersmen who insist on their SM *real*! Well, Gentlemen, another year has gone by and USSM/FOUR is ready for you. Filmed in-dungeon and outdoors, USSM/FOUR stars the most famous SM couple in the US today: Whip Master Fred Katz and his lover Henry Romanowski. Heating up USSM/FOUR's chemistry is the newest internationally famous SM couple: Mr. Drummer 90-91, Clive Platman, and Drummerboy of the Year, John Siracusa. And, if you can stand even more heat, USSM/FOUR also stars the 91 Los Angeles Drummerboy, John Hare, who blew your fuses in *Tightropes XXI* and *Punishment II*. Plus, just to enrich the dungeon decor, we tied up Australia's Drummerboy 91 and his mate. The outdoor whipping scenes were filmed on a remote, wooded mountain top in No. California where Henry's succulent body-beautiful gets tied down to a St. Andrews cross by Hare and Siracusa for a whipping by Katz. Clive Platman can't resist the temptation (Who could?), and goes to work on Henry's muscular whip-scarred back. Mr. Katz shows up unexpectedly, and angrily whips Clive as Clive whips Henry. And, since everyone loves a happy ending, everybody gets whipped in the end. Indoors, Siracusa and Hare get strung up, and suffer heavy-duty C&B torture at the sadistically skilled hands of Tony (Fledermaus) DeBlase. And, if you're into vocals, you'll particularly enjoy the harmony of agony as the two John-boys scream out their appreciation. Then, as punishment for whipping Henry without permission, Clive's broad take-it-again back becomes Mr. Katz's target for a stinging variety of whips and whip action as the gagged and bound Drummerboys watch and wish. Shot on location by Zeus Studios' Mikal Bales, and produced by *Drummer* magazine's Tony DeBlase, USSM/FOUR is not only the latest, but the hottest of the series.
