The picture book of BORN TO RAISE HELL is no longer available and has become a collector's item.

MARATHON FILMS'

BORN TO RAISE HELL

BORN TO RAISE HELL is a seventy-minute hard-on. At least that is what I had the night they screened it for me. It is a classic in Leather SM moviemaking.

Robert Payne DRUMMER

Now, see for yourself the film that made a star of VAL MARTIN. Originally in four parts, this videotape is the complete theatre film and includes The Bar Scene, The Shaving Scene, The Dungeon Scene and the Cop's Revenge Scene. No collection is complete without it and we are extremely happy to finally be able to offer it for home viewing. Running time: Feature length, 70 minutes.

NIGHT OF SUBMISSION

This is about the first big production of leathersex and showed a dungeon that was the talk of the leatherworld for years. It still holds up well and this is a print from brand-new theatre film. DRUMMER featured it in a very early issue and even published a picture book (now unavailable). Showing time is sixty hot and exciting minutes and the price is modest.

TO FORTIFY THE IMMUNE SYSTEM

The IMMUNE SYSTEM is your body's front line defense against disease and infection. When that system is not in top shape, you become vulnerable. Those of us whose habits include late hours, smoking, drinking to excess, along with a catch-as-catch-can diet with far too many junk foods and an occasional dose of antibiotics play havoc with our immune systems. The same doctors and lab who developed VITA-MEN, producing the finest mega vitamin-mineral-herbal formula available for men, now offer you the amazing new IMMUNITABS formula. Whatever else you may be taking, include IMMUNITABS along with it. Considering the formula and the quality, the price is modest enough. Isn't your immune system worth it?
